Fox River Valley Libraries

Dundee Library • Randall Oaks Library

Serving 70,000 residents of Carpentersville, East Dundee, West Dundee, Sleepy Hollow, Gilberts, and parts of Algonquin

DIRECTOR'S MESSAGE

As I was leaving the library last week, two young women with backpacks, books, and poster boards asked me if the library had a room where they could spread out and work on a school project together without disturbing anyone else. Sadly, I had to tell them “No, you’ll have to take your chances finding an open table.” Scenes like this happen every day.

Users need places to gather – rooms for group projects, tutoring sessions, study groups, video and in-person conferences, meetings, and programs. Other users need quiet, individual spaces in which to read or study.

Currently, the Dundee Library has a single large meeting room that is used for events of all kinds - storytimes, computer classes, movies, book discussions, board meetings, class visits, gaming programs, play groups, and programs for children, teens, and adults. A children’s craft room that accommodates about 12 is also used for smaller adult programs.

Meanwhile, the Randall Oaks Library has no meeting room at all. The entire library is disrupted four to five times a week while up to 60 people squeeze into a storytime or other program.

Joe Huberty, the architect engaged by the library board, developed concept sketches for an updated Dundee Library which includes a meeting room, storytime room, maker lab, computer lab and seven study rooms. Preliminary plans for a new library building to replace the Randall Oaks Library include two meeting rooms, two storytime rooms, a conference room, maker lab, computer classroom, and 18 study rooms for individuals or small groups.

We’ll be looking for your feedback at our next Designing Our Future session when the architect will share his concept sketches for a new library west of the river. Visit the website and sign up for our e-newsletter to get biweekly library updates or keep an eye on the website for the date of our next Designing Our Future session. If you have specific questions or want to get more involved in our planning process, I’d love to hear from you.

UPCOMING CLOSINGS

Thurs., Dec. 24 (Christmas Eve)
Fri., Dec. 25 (Christmas Day)
Thurs., Dec. 31 (New Year’s Eve)
Fri., Jan. 1 (New Year’s Day)
Fri., Jan. 15 (Libraries open at noon for staff training.)

With no meeting room, children and parents work on their crafts in the middle of the Randall Oaks Library.

With no private study rooms, students work on school projects in the middle of the Dundee Library.

FROM A 2015 SURVEY:

“Need a larger multipurpose room to be used for community programs, meetings, book sales etc. The building really needs to be enlarged – you are performing miracles within the space available.”

“More small group meeting space.”

“Quiet reading area...maybe a café?”

“Build individual study rooms, conference rooms, laptop bars and power stations.”

“More meeting space, private study rooms.”

“More meeting rooms to host classes, etc.”

MEETINGS

LIBRARY BOARD

(Note the new night & time.)

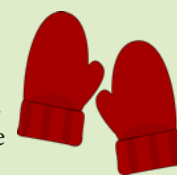

The library board meets on the third Tuesday of the month at 7 p.m. at the Dundee Library. The Board is elected by the taxpayers to serve in a volunteer capacity. Meetings are open to the public.

FRIENDS OF THE LIBRARY

The Friends meet on the third Tuesday of the month at 7 p.m. at the Dundee Library. New members welcome. Contact the Friends at friends@frvpld.info.

ANNUAL MITTEN TREE

Keep some fingers warm this winter by donating new infant, children's and adult mittens for our traditional Mitten Tree, located in the Children's Department on the lower level of the Dundee Library through December 20. All items will be donated to the Carpentersville F.I.S.H. Food Pantry and the Elgin Crisis Center.

COMING RIGHT UP

The kitchen continues to be a hot spot in the children's department since it was donated by the Friends of the Library last year. The Friends are always in need of helping hands to sort book donations, work at book sales, and host programs. Any amount of time is appreciated. Email the Friends at friends@frvpld.info for more information.
