CLOSING THE BOOK ON FISCAL 2009-2010

Closing the book on the Dundee Library's fiscal year offered the opportunity to take a look back and see just what a remarkable year it was.

As we began the year, our building underwent an interior renovation that corrected and updated mechanical and electrical systems, streamlined circulation and information services areas, located a new and improved space for media materials such as movies and CDs, and created a separate area for teens. During the renovation, we continued to serve our public via a trailer in the parking lot where books could be checked out and returned. This was all accomplished using the library's Special Reserve Fund with no new tax revenue—possible because of careful use of tax dollars over the years by your Library Board.

Since reopening last September, circulation and patron participation has increased significantly. The number of items loaned to patrons increased by nearly 22% (373,052 in FY2009/2010 vs. 306,508 in FY2008/2009). We provided education and entertainment to more than 13,000 people of all ages and walks of life through our children's and adult programs. From stories and computers to movies and music, it was here that people came for a giggle, a quiet break, an AHA! moment, or some family time.

More than 1,500 people of all ages (a record high) participated in our Summer Reading Program this summer. Adding to the fun was the launch of our "Reader's Block" blog, where folks could write book and movie reviews and make recommendations. So far, 220 reviews have been posted and they continue to come in.

It is clear, especially in light of recent economic challenges, that the library provides valuable support to the community. This year, we leveraged the tax dollars you entrusted to us to provide these resources—dedicated staff, books, computers, and enjoyable spaces in which to use them—for less than \$45 per capita. From your support, we work hard to return value far above your investment, and will continue to do so. Check us out this year. There's more to come, and it won't take long to get your money's worth.

We look forward to discovering more ways to serve this community in the coming year. If you have thoughts to share, my door is always open.

Roxane Bennett, Library Director

NEW TO THE DEPARTMENT

New to the Children's Department shelves is "Disney's World of English," an active English language learning program for children. Developed in conjunction with renowned Japanese professor Shinichi Suzuki, the program maximizes children's natural learning ability by exposing them to language learning at an early age — the time when they are most receptive. Kids will love learning to speak, read, and write English as they play, sing, and interact with some of Disney's most beloved characters. The program consists of CDs, DVDs, a book, and a teaching guide. The kits can be found in the Parent/Teacher section on the lower level.

READING PATCH CLUB

Beginning Tuesday, September 7, kids can wear their love of reading on their sleeve (or their backpack, jeans, or jacket!) by participating in the Dundee Library's Reading Patch Club.

The club invites children in preschool through eighth grade to read their favorite books and explore the library for new ones, which earns them patches.

Preschoolers through second graders can earn patches in the following categories: general-humor, fantasy, animals, adventure, and nature. They must read, or have read to them, 20 books in a category to receive a patch.

Third through eighth graders can earn patches in the following categories: general-humor, fantasy, animals, mystery, and Caudill Awards. They must read 10 books in a category to receive a patch.

The Reading Patch Club runs through May 28, 2011. All the patches are free. Booklists and reading logs are available at the Children's Information Desk.

MITTEN TREE

OUR TRADITIONAL MITTEN TREE STARTS!

Keep some fingers warm this winter by donating new infant, children's and adult mittens for the library's traditional Mitten Tree, located in the Children's Department. All items will be donated to the F.I.S.H. Pantry and the Elgin Crisis Center.

- Friday, November 26-Tuesday, December 1

**THE FRIENDS OF THE DUNDEE LIBRARY**

The Friends of the Dundee Township Public Library are holding a book recycling event on Saturday, November 6, in the Dolphin Cove Family Aquatic Center parking lot on Route 25 in Carpentersville. Books will be accepted for recycling from 8 a.m. until 1 p.m.

All kinds of books, both hardcover and paperback, can be dropped off during the event. Several volunteers will be on hand to help unload residents' cars. Members from the Friends group will sort through the books as they are dropped off.

Books in good condition will be set aside for upcoming sales or fundraising sponsored by the Friends. Books that are damaged, outdated, or are no longer useful will be responsibly recycled.

Larry Pepper, member of the Friends group and a co-chair of the event, unloaded a box of books to be recycled at the Friends' event in July. More than 2,000 lbs. of books were collected.
