THANKS, FRIENDS!

Thanks to the Friends of the Library, who donated a selection of eReaders and tablets to the library so that public service staff members can become proficient with them and pass that knowledge along to patrons. If you need to set up your latest device or need help troubleshooting, stop by the Information Services desk during your next visit.

BOARD NEWS

- We would like to extend our thanks to **Maria Bagshaw** for her service as a Library Trustee. Maria was appointed to the board in 2011. During her tenure, she was instrumental in the construction of the Randall Oaks Branch Library, did pivotal research that led to renaming the library district, and provided key input to a policy manual update, telephone system upgrade, and roof and fascia renovation project.
- A warm welcome to incoming trustees **Brian Lindholm** and **Denise Sommerlot**, both of Sleepy Hollow, who were elected to the Board in the April election. They will be officially sworn in at the June Board of Trustees meeting.
- We are proud to announce that **Richard Corbett**, board secretary, has been appointed to serve on the Illinois Library Association's Advocacy Committee. This committee provides support to legislative issues regarding Illinois libraries, such as identifying best practices, building partnerships, and developing educational programs and materials.
