The screenshot shows a registration form for a student. At the top, there is a header image with the word "Student" overlaid. Below the header, the form contains three input fields: "EMAIL" with a placeholder "Email Address", "USERNAME" with a placeholder "Username", and "PASSWORD" with a placeholder "8+ Character Password". There is a checkbox labeled "Show Password" below the password field. A blue "Submit" button is positioned below the form. At the bottom of the form, there is a small text line: "By clicking 'Submit' I agree to Vidcode's [Terms of Use](#)".

→You should see a screen that says “You’re now a member of Teen Coding!”

→Click Start Coding to begin

The screenshot shows the Vidcode dashboard after registration. At the top, there is a dark purple header with the text "My Classes" and a "Show Filters" dropdown. Below the header, there is a light green banner that says "Congratulations! You're now a member of Teen Coding". The main content area has a white background with the text "Teen Coding" on the left, "My Dashboard" in the center, and a blue "Start Coding" button on the right. The "Start Coding" button is circled in red.
