Director's Report
Board Meeting – June 18, 2019

Highlights:

In preparation for June PRIDE Day programming, the May All Staff Meeting focused on Diversity Training across all departments. I began by showing parts of a RAILS video [You Belong @ Your Library](#). Then followed with discussion about how embodying the library's core value of embracing our diverse community includes welcoming everyone on the LGBTQIA gender spectrum and what that looks like! Procedures are in place for handling any disruptive activity that might occur in or outside the library building as a result of PRIDE programming. The library's Patron Code of Conduct prohibits behavior that interferes with other's use of the materials & services.

I attended the Cooperative Computer Services (CCS) Governing Board Meeting in May. Indian Trails PLD is joining the consortium with a projected "go live" date on Polaris of October 22. This will increase the number of items available to our patrons directly through our catalog interface. CCS is examining its governing structure in an effort to improve efficiencies and free up resources to address strategic priorities of the consortium. Consultants from Library Strategies are leading the process. During May, consultants conducted a survey of membership, interviewed selected library directors, and researched structures of consortia. I was among the directors selected for an interview thanks to my active participation on the CCS Budget Committee over the past 8 years and focus on cost efficiencies. Results will be presented at a workshop in mid-June which Lauren and I will both attend. As CCS adds to its membership, streamlining its governing structure will be a key component in controlling membership fees over the long run.

The outdoor book return at the Dundee Library was irreparably damaged during a storm this spring. The concrete pad that supported it is degraded and not level. Replacement of the entire east side sidewalk is on a project list for FY19/20, but getting a new return could not wait for that project to be completed. Instead, the new return was installed on an existing concrete pad next to the entry door. While this location requires patrons to step out of their cars to return items, it seems to have addressed the safety issues we had previously with patrons pulling up to the return facing the wrong way in traffic exiting the library. It also allows staff to unload the return under cover during inclement weather.

Development continues at an accelerated pace in East Dundee TIFs in line with the overall economy. Collectively, as of the 2018 Tax Year, Equalized Assessed Value (EAV) of East Dundee's seven TIF districts has grown by 34% since the recession low of 2014 levels and totals over \$29 Million. However obligations continue to exceed TIF revenues and are being subsidized by the Village's General Fund and Business Development District (BDD) taxes. The Village continues to approve new residential units being built inside TIF districts. As outlined in State Statutes, the Library will continue to request compensation from the Village each year to compensate us for services provided to residents of these units.

My review of annual performance evaluations is complete and meetings with department managers have concluded. Managers are in the process of delivering those evaluations and raises will take effect in the upcoming fiscal year.

As I wrap up my tenure with the library and tidy up my office preparing to hand the reins to Lauren on June 21st, I'm struck by how much paper I've collected over the years ~ despite "going digital" to facilitate transparency and storage of most permanent records. Like predictions of the demise of libraries as the Internet Age dawned, print isn't going away anytime soon!

Carry on, my friends. Carry on...!!

Fox River Valley Public Library District May 2019 Department Reports

Lauren Rosenthal, Deputy Director

Our first OpenGov Open Town Hall survey results are in and a summary will be presented to at the June board meeting. We are delighted with the number of responses received and optimistic about the use of Open Town Hall to engage the community in future planning.

At the LIRA Executive Committee meeting we discussed the increase in liability insurance rates throughout the Midwest as a result of the dramatically increased tornado activity in 2018 (this was before the significant increase throughout May 2019). Illinois has not been hit as hard as Nebraska and Iowa, but Illinois libraries need to plan for a 10% increase in liability insurance rates for next year, which we have built into our FY1920 budget already.

The GFOA conference was outstanding once again, with a truly inspiring keynote address by authors James and Deborah Fallows, who poetically described the essential role that libraries are playing across the nation. While few library districts are represented at this government finance conference, the Fallows expressed “the fabric of the country is being restored, library by library, at the local government level. We are in a new guided age.”

Youth Services: Monica Boyer

May started off with a bang! Our Fiesta de Cinco de Mayo program was attended by 115 people! Library Assistant Maggie Martinez did a fantastic job of coordinating this cultural event. Festivities included crafts, lotería (A game similar to bingo), Mexican food, a piñata and a special performance by the renowned mariachi band Cielito Lindo. Attendees were able to learn about Hispanic culture in an interactive way.

Cielito Lindo entertaining program attendees

We continued to see positive turnouts throughout the month for programs such as the American Girl Garden Party (81 attendees, picture below) and Unicorn Slime (51 attendees, picture below). Programs like these encourage intergenerational attendance and a time to relax and have fun in a safe space.

Our team continued to show their passion in community outreach this month by completing summer reading presentation visits. YS staff visited schools such as Sleepy Hollow Elementary School, Golfview Elementary School, Gilberts Elementary School and Sunny Hill Elementary School. These presentations inform children regarding our summer reading program. A lot of enthusiasm was shown regarding our program “missions” and prizes. Summer reading programs are designed to combat a decline in reading comprehension abilities. The YS team presented to approximately 5,325 children!

The infant initiative, Welcome Baby, was locally recognized by Courier News. Further, Welcome Baby was also featured in American Library Association’s Facebook page (Screenshot below). Welcome Baby is a partnership with Advocate Sherman Hospital in Elgin. This program connects newborns and their caregivers with a reusable tote, a library card and baby items. Bilingual Library Assistant, Lina de Legarreta has been instrumental in developing this program.

Our department continues to physically change! With the help of the PATS department we added three more themes to our thematic collection: pets, bilingual and award winners. Titles were selected from our current picture collection and cataloged to create these new themes. Facilities has also helped us in making our space livelier in color. Wall colors have changed from beige to orange and purple.

Randall Oaks Manager: Keri Carroll

The Summer Reading Committee had its last meeting for the year in preparation for the program to officially kick off in June. We finalized prizes and the distribution schedule, planned the picnic and sponsor fair, and discussed the prize books that were purchased at the Scholastic Book Fair. The committee also presented at the May All Staff to get everyone excited about “A Universe of Stories.” Teen Librarian Danielle Pacini once again shot and edited a fantastic video highlighting some of our staff involved in various space-themed situations.

Youth Librarian and SRC Committee member Brittany Berger and I held three training sessions for our teen volunteers at the end of the month. With the introduction of a new registration app, we wanted to make sure any returning volunteers didn’t come in expecting Evanced. (You’d be surprised!) Both Dundee and Randall Oaks have had numerous – and new! – teens come out of the woodwork to volunteer which is always a huge help during the summer months. *Huge* amounts of gratitude go towards Brittany who created the schedules for both locations since she will be migrating over the Randall Oaks full time starting in July.

In preparation for Summer Lunches, I attended supervisor training in Geneva along with Heather Zabski, Jason Katsion, and Sherry Kenney. Once I transition over to Account Services in July, I’ll be helping with summer lunches for the first time and needed the necessary training. I now feel prepared and can’t wait to be a part of this huge service.

Finally, I was fortunate enough to get to march in the Dundee Memorial Day Parade with ATS librarians Sean Plagge and Danielle Pacini, AS clerks Margo Jankiewicz and Audrey Jozwiak, and Heather Zabski. Kirstin Finneran drove the library van while several of us wore gigantic library book jackets as we marched down route 72. It's always great to remind the community about the library and, specifically this time, summer reading!

Public Relations & Outreach: Kirstin Finneran

Outreach events arranged, supported with promotional materials, or attended: Golfview Elementary School Registration Event, Perry Elementary End of The Year Preschool Event, Carpentersville Middle School Multicultural Event, Memorial Day Parade in East/West Dundee, D300 Hablemos Parent Group (final meeting of the school year).

Used our new service OpenGov/Open Town Hall to create a survey for feedback on eliminating fines.

Summer Reading Challenge activity included creating posters promote summer reading program, picnic, pool party, and summer lunches

The summer newsletter was completed and mailed to all district residents. We also compiled a list of community organizations who will receive a mailed copy of the newsletter including villages, D300 principals, police and fire departments, and area preschools.

Promotional materials for Summer Reading Challenge and Summer Lunches was created and put on display including posters, flyers, self-check station graphics, bookshelf headers, and website sliders.

Updated several promotional bookmarks with summer dates and times.

The Ruth Wendt Gallery was updated with a collection of photos from the Northwest Suburban Astronomers, to coincide with our Summer Reading Challenge theme, "A Universe of Stories."

Account Services: Jason Katsion

On May 15, I underwent Summer Food Service Program training at Northern Illinois Food Bank. Our popular Summer Lunches program requires that a trained site supervisor always be present during the lunch hour, and site supervisors are required to recertify annually.

At our staff training event on May 17, I gave a presentation on email security and best practices for archiving staff email. Following the all staff portion of the training event, Heather Zabski and I led a joint meeting with Account Services and Adult & Teen Services Departments.

For seven days, beginning May 20, the Account Services Department was responsible for counting the number of items sent from Fox River Valley Libraries to other Illinois libraries. Specifically, we recorded the total number of outgoing items and outgoing bins for the day; including items being sent out on interlibrary loan, and items that were being returned. Delivery of materials between libraries is conducted by Reaching Across Illinois Library System (RAILS). Twice annually, the Library System assesses workflow by requiring a materials count.

Beginning May 20, I began training new IT Manager John Sabala. This ongoing training will encompass the Library District's network infrastructure, vendor management, software and hardware maintenance, etc. At the Board of Trustees Meeting on May 21, I presented an overview of proposed improvements to the Library's self-service processes. The proposed improvements were approved by the Trustees.

Facilities: Michael Lorenzetti

As time goes forward, facilities is changing out the soap dispensers in the restrooms so they are all the same. The Gojo orange seems to be staff team members liking and is a foamy type instead of a creamy liquid. The changeover will be seamless as many of the supplies are on hand.

The FRVPLD carpet was cleaned on May 13th and some areas of the carpet need to be replaced. Additional tiles will be ordered and the different areas of the Library will be systematically changed to have a fresh look.

Parking lot catch basins are scheduled for repair/replacement on 6/12 "weather permitting". If we cannot proceed on the 12th, the next scheduled date would be the 18th.

The new FRVPLD book drop arrived and it is located in its new location just south of our front doors.

The doorbells for the east (main) doors and west (staff/delivery) entrance have been installed and working properly.

Windy City Lighting has been contacted and they are in the process of having the pendant lights shipped to our location for the installation/replacement of the 15 strands of lights.

PATS (Purchasing, Acquisitions, Technical Services): Karin Nelson

Savings: PATS Manager performed a price comparison for the new book drop, and there was a very significant savings when purchasing from a library furniture/supplies vendor versus direct (\$1,856.50). The Facilities Manager received multiple bid proposals for the library parking lot storm basin work, and determined to utilize the lowest responsible bid (\$1,609.80). Purchased more barcodes from our usual provider again after I compared it with a company our consortium office referenced recently (\$193.40). For the most part our current provider has the most reasonable pricing for the toner cartridges we need but another area office supplies company visited not long ago. I put through an initial order for toner since I gained a good discount (\$188.28).

Major purchases/installations: The YS area public seating and additional J-BIN shelving has now been installed. Last week the outside book drop was delivered and was placed by the Dundee Library front door.

YS Collections: The J-BIN area now has new sections for these categories: Book Award Winners, Pets, Spanish Bi-lingual, and Llama. PATS is working on processing books that were previously shelved in other areas so they can be put into these shelving units.

Print Provider: Continue to do research if should do the majority of print purchases from a different provider in the future since it doesn't charge annual user access fees, and has a better interface for users as well as for "gridding" which is a system used to help with downloading vendor records into our Polaris system.

IT / Network: John Sabala

In May, we were delighted to welcome John as the new IT / Network manager.

Adult & Teen Services: Heather Zabski

May was a busy and productive month for the Adult and Teen Services department. On Saturday, May 4, librarian Sean Plagge and library assistant Erica Acevedo hosted an all-ages Star Wars Escape Room event. 33 patrons participated in the event and every team successfully escaped. All participants found the event challenging and fun. Because of the event's popularity, ATS staff are planning future escape room events for patrons.

The teen passive program for the month focused on positivity. Participants were encouraged to “create something to bring positivity and encouragement into the Teen Area for your friends or teens you have never met.” Over 70 teens participated in the event. It was so popular, librarian Danielle Pacini decided to leave the passive program up for another month so more teens can participate. The display also ties in nicely with our June Pride on the Fox programming; Danielle will be hosting an event for teens and adults on June 15.

Early Registration for Summer Reading started in May. We had good turnout especially from adults, likely due to the success of our Winter Reading Challenge. Danielle and library assistant Cari Poweziak have come up with fun tasks for adults and teens to complete this summer in addition to meeting the reading requirements. Both Danielle and Cari did an excellent job organizing and preparing the department for Summer Reading. Danielle created an awesome promotional video for the event, and Cari decorated the ATS desk with space themed decorations.

Cari and library assistant Taylor Haring attended Reaching Forward on May 3. The conference provides sessions on professional development for library support staff. Thanks to her programming expertise, Cari was asked to host a craft program demonstration at the conference.

On May 26, Danielle, Sean and I marched in the Memorial Day Parade for the library. We dressed as patriotic themed books. Though the day started out raining, it cleared up in time for the parade and proved to be a beautiful day.

Throughout May, I've had the chance to start training for the Assistant Director position. Lauren went over WhenToWork publishing instructions early in the month, so I could publish the schedule on May 24 when she was out of town. I also participated in 13 interviews throughout the month for open positions in Youth Services, Adult and Teen Services, and Account Services. So far, we've filled all three clerk positions and are hoping to fill a Youth Services Librarian position soon. I've also started training in completing payroll.

We are pleased to have hired Susan Richmond as a clerk in Adult and Teen Services. She is an avid reader with lots of customer experience in the medical field.

Summer Lunches are starting again for patrons under the age 18 to get a free meal from 12-1 PM. I attended site supervisor training on May 15. I've arranged with other staff site supervisors to make sure each day of the week is covered with one assigned supervisor per lunch shift. I also worked with Kirstin and Mary to make sure everything was set up and easy to find for the first day of lunches.

Programs for teens and youth have been designed around this year’s theme ‘A Universe of Stories’. FRVPLDs annual Summer Reading Kickoff Picnic is set for June 3rd, from 6:00 – 8:00 PM on the Library’s front lawn. There will be entertainment, crafts, prizes, a book basket raffle, popcorn, and lemonade, made possible with financial and volunteer assistance from FRVPLDs Friends of the Library. Everyone who finishes the Summer Reading Challenge will receive a ticket to the Dolphin Cove Pool Party. Adult, Teen and Youth signups are exceeding expectations.

Youth Services Manager Monica Boyer reviewed the free Summer Lunch Program FRVPLD is hosting again this year for children 18 years and younger. Beginning June 3rd, it will run through August 12th, from 12 noon until 1 PM Monday through Friday. There are volunteer opportunities available to assist in the program; signup is through the Library’s website. Funding for the program is through the Northern Illinois Food Bank.

B.1 Working Budget Fiscal Year 2019-20

RECOMMENDED **MOTION**: I move to approve the Working Budget for Fiscal Year 2019-2020.

BACKGROUND INFORMATION:

The Working Budget is an internal “operating budget” developed by the Director and staff taking into account planned and reasonably expected income and expenditures for the upcoming year. It includes projections of usual and necessary operating expenses as well as anticipated improvements or investments in technology, equipment, and facilities.

Approval of the Final Working Budget by the Board establishes the realistic spending limits intended by the Board barring the occurrence of unexpected spending needs. It is not a legally required document, but provides a plan for how the library will use current revenues received for daily operations, plus anticipated spending of reserve funds. All individual items and contracts over the \$10,000 authorized spending limit of the Director are brought to the Board for approval prior to expenditure.

EXHIBIT B.1. Page 1 is a summary of all revenues and expenditures combining all funds, including a column predicting end-of-year totals based upon YTD posted expenditures.

EXHIBIT B.1. Pages 2 through 18 detail each of the Library’s funds’ revenues and expenditures for the past five years, as a comparison to what we expect to receive and spend with our Proposed FY1920 Budget.

C.2 Electronic Resource – Lynda.com contract

RECOMMENDED **MOTION**: I move to authorize the director to contract with LinkedIn for Lynda.com, an electronic resource for online learning, at a cost of \$13,125.

BACKGROUND INFORMATION:

Lynda.com is an online learning platform that offers 6,600+ courses on hundreds of topics with 35 to 40 courses added per week. LyndaLibrary offers staff and patrons access to courses on computer software, leadership/management, business skills and more. The content speaks to those that are under employed, unemployed and looking to boost their skills. Offering courses that support the present world skills that are needed to stay ahead or learn new skills.

In July, LinkedIn will be merging Lynda.com with LinkedIn Learning, their other online learning platform, in order to create one larger online learning platform under the LinkedIn Learning name. Because of this, we will get access to an additional 13,000+ courses at no extra cost. In this first year of having Lynda.com, over 200 patrons have actively used this product and there has been an average of approximately 460 course views per month.

C.3 Bylaws Update

RECOMMENDED **MOTION**: I move to accept the Bylaws Update for Organization of the Board and Nominating Committee as proposed.

BACKGROUND INFORMATION:

Proposed update eliminates separate section on Nominating Committee and expands section on Organization of the Board to include the process for creating a slate of officer candidates and for filling a mid-term Officer vacancy. Suggested revision in **RED**.

Organization of the Board

At the first regular meeting after the vote canvass, the incumbents and new Trustees shall meet to take oaths of office and organize the Board. The first order of business shall be election of a President pro tempore and Secretary pro tempore. The Secretary shall certify the membership of the Board and administer the oath of office.

At a regular meeting of the Board prior to the meeting at which Officers of the Board are elected, the President shall appoint two continuing Trustees to nominate a slate consisting of one candidate for each office and present such slate at the organizational meeting of the Board.

The Trustees shall elect from their membership a President, Vice President, Treasurer, and Secretary.

~~These officers~~Officers shall serve until the third Monday of the month following each regular election or until their successors are elected by the Board. In the event an Officer is unable to complete their term, the Board President shall appoint a replacement subject to confirmation of the Board.

Nominating Committee

~~At a regular meeting of the Board prior to the meeting at which Officers of the Board are elected, the Board shall appoint a Nominating Committee. The Nominating Committee shall be composed of two continuing Trustees. The Nominating Committee's purpose is to nominate a slate consisting of one candidate for each office and present such slate at the next meeting of the Board.~~

C.4 Ordinance 2019-08 Transferring Funds to the Special Reserve Fund

RECOMMENDED **MOTION**: I move to Adopt Ordinance 2019-08 Transferring Funds in the amount of \$400,000 from the General Fund to the Special Reserve Fund

BACKGROUND INFORMATION:

The Special Reserve / Capital Projects fund is not levied: revenues consist of transfers from the General / Corporate fund from unexpended balances.

Board policy states "In accordance with (75 ILCS 5/5-8; 75 ILCS 16/40-50), the Board shall establish a Special Reserve Fund for the FRVPLD buildings, maintenance, and emergencies. The fund shall receive monies annually from unexpended budgeted funds in order to build the fund toward future FRVPLD building, land and maintenance needs." Fund Balance policy states, "Total unrestricted fund balances (committed, assigned and unassigned) in the General Fund should represent no less than three (3) and no more than twelve (12) months of operating expenses. Balances over the maximum at the end of the fiscal year shall be transferred to the Capital Projects fund."

The Director conferred with the library's attorney in May regarding recommended levels of operating reserves to be carried over each fiscal year in the General Fund. FRVPLD's Fund Balance Policy of three (3) to twelve (12) months is in line with his recommendation. While this may seem like a large range, maintaining an upper limit of twelve months is legally defensible and provides the library district protection against potential future property tax freezes, reductions, or inconsistency in collection of revenues.

We ended FY1718 with \$1,275,802 General Fund balance (excluding 90 Donations Fund balance), and we spend about \$250,000 per month from that fund, so we only had 5 months of reserve in the General Fund at the end of last year.

We anticipate a surplus of about \$600,000 in FY1819, and we already transferred \$191,950 this year (Resolution 2019-03) per the Capital Replacement schedule. With completion of this \$400,000 transfer, we expect to end FY1819 with about \$1,300,000 General Fund balance (excluding 90 Donations Fund balance), which will be about 5 months of reserve in the General Fund at the end of this year.

ORDINANCE 2019-08

ORDINANCE TRANSFERRING FUNDS TO THE SPECIAL RESERVE FUND

Be it ordained by the Board of Library Trustees of the Fox River Valley Public Library District that, of the unexpended balances of the proceeds received from annual public library taxes (General Fund/Operating Fund), the sum of \$400,000.00 shall be transferred to the Library District’s Special Reserve Fund to fund future Capital Needs as defined in the Special Reserve policy.

C.9 Approve Report of the Closed Session Minutes Review and Destruction of Audio Recordings made prior to November 21, 2017

RECOMMENDED **MOTION**: I move to approve the report of the closed session minutes review, open June 19, 2018 executive session minutes, and destruction of all audio recordings made prior to November 21, 2017.

BACKGROUND INFORMATION:

The Open Meetings Act [5 ILCS 120/2.06(c)(d)] sets the requirement that closed session minutes must be reviewed semi-annually to make a determination if the need for confidentiality still exists, and gives guidance regarding destruction of the verbatim record of closed session meetings.

The findings of this report must be stated in open session.
