**Fox River Valley Public Library District  
Director's Report to the Board of Library Trustees  
November 15, 2022 Regular Meeting**

Halloween "season" has been full of activities and programs. This month has also been a remarkable showcase of staff creativity! Our Halloween-themed events were very well attended. Many of our staff were in costume on October 31, and patrons of all ages enjoyed seeing library workers have fun with the holiday.

We are currently working on our next All Staff Training Day, which will be on November 18. The half-day program – on a variety of training topics – brings everyone together, boosting morale and engagement, in a fun learning environment. This will be our last All Staff Day of the year. We will have quarterly All Staff training days again in 2023.

On December 1 and 2, I will be attending the annual Director's Summit in Baltimore, MD, presented by *Library Journal*.

The library is very grateful to accept the donation of two wheelchairs from Board Treasurer Tara Finn and her family. The wheelchairs will be available for patrons to use on both the first and second floors of the Dundee Library.

The tree stump in front of the Dundee Library is being carved, sculpted, and transformed by Illinois chainsaw artist Chris Hubbart from Hillsboro, IL. The stump will soon become a fox sculpture that will be a one-of-a-kind artistic feature at the front of the library.

*Respectfully submitted,  
Amy Dodson*

## Fox River Valley Public Library District October 2022 Department Reports

### Deputy Director: Heather Zabski

In October, we worked with Lauterbach & Amen to finalize the audit process. Sumitra, Colin and I worked with the auditor to provide any additional documentation requested quickly so the audit could be completed before the November board meeting. Additionally, I compiled statistics and drafted the transmittal letter for the Annual Comprehensive Financial Report (ACFR).

Trustees will complete the requirements for the Per Capita Grant application at the November Board meeting, having reviewed all chapters of *Serving Our Public 4.0* and comparing the requirements with our library. The requirements were the same as last year, and likely to be the same next year. Besides our limited space and aging east-side facility, our library overall does a great job of exceeding most of the requirements outlined in *Serving Our Public 4.0*. I filled out our library's Per Capita Grant application in early November, and trustees will be able to review our application in their board packets. After the November board meeting, I will submit the application to the State Library. Additionally, I spent time in October compiling the Annual Treasurer's Report and Levy Ordinance for the November board packet.

*(left) Carpentersville Rotary's Haunted Camper; (right) Heather in flamingo costume handing out fun library prizes at the West Dundee Halloween party*

Carpentersville Rotary hosted our second annual "Haunted Camper" at two trunk-or-treat events this year. I helped decorate the camper and pass out candy (along with Trustee Goyke and dog Lapis) at Randall Oak's Boo-Thru event on October 21. It was well-attended, with over 500 cars participating throughout the three-hour event. Public Relations Manager Kirstin Finneran, Youth Services Librarian Amanda Keen, and I represented the library at the West Dundee Halloween Party in Grafelman Park on October 29. We handed out a variety of prizes and had a pumpkin-themed prize wheel. There was lovely weather during the event, which encouraged even more people to participate than last year. We easily interacted with over a thousand trick-or-treaters during the three-hour event. Many of our frequent library visitors attended the event and were glad to see us out in the community.

### Public Services Manager: Jason Katsion

Throughout October, Public Services staff embraced the fun and excitement of the Halloween season with unprecedented enthusiasm, while providing educational, creative experiences for our patrons inside and outside the library.

Several of this month's programs put the spotlight on animals. Youth Services Assistant Lizbeth Hernandez organized an adopt-a-pet event, hosted on the front lawn of the Dundee Library, in cooperation with Hoof Woof & Meow Animal Rescue. 70 people came by to meet the animals and learn more about pet adoption. Thanks to this event, several animals have found homes with our library patrons! We also hosted two sessions of our ongoing Paws to Read program in October, in which new readers are invited to spend one-on-one time reading with certified therapy dogs, which can help boost confidence and improve literacy skills.

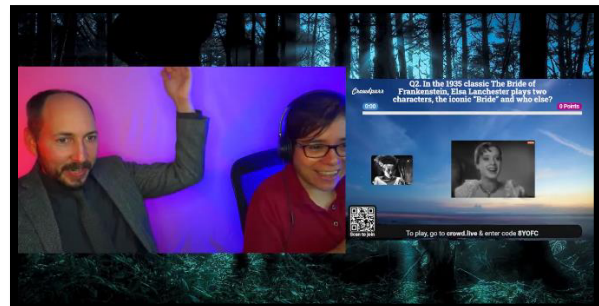

74 people participated in our all-ages Incredible Bats and Exotic Animals program, organized by Youth Services Librarian Heather Ji. The attendees got to see and touch a variety of animals, such as bats, tarantulas, snakes, skunks, and hedgehogs, while learning all about these amazing creatures. As pictured below, the audience even got to see a bat fly across the meeting room and into its cage!

Youth Services Assistant Amairani Lopez ushered in the Halloween season by hosting a pumpkin painting program, attended by 37 of our youngest and most creative patrons.

Two virtual trivia events were held in October, on aptly macabre topics. Library Specialist Erica Acevedo utilized her mastery of *Simpsons* lore to host a trivia event entirely focused on the long-running "Treehouse of Horror" episodes. For the third year in a row, Erica and I co-hosted a horror movie trivia event, this time with emphases on horror movie sequels and horror-comedies.

Jasmin Munoz of the Adult & Teen Services Department took the lead in organizing our first-ever Ghostly Lock-in, providing a space for tweens to celebrate Halloween in a safe yet spooky environment. This unique three-hour event was held after hours at the Dundee Library. The attendees participated in a costume contest and scavenger hunt, enjoyed pizza and snacks, used the library's VR gaming equipment, and were taken on a haunted trail-walk through Wahoo Woods, where ghostly apparitions (library staff) evoked screams of terror and a lot of laughter. Responses to this program were uniformly positive and several of the attendees and their parents commented that they hope the Ghostly Lock-in will become an annual event. Implementing this program required a high level of organization and collaboration across the Adult & Teen and Youth Services Departments. This was truly a group effort for everyone in Public Services, whether it was helping with festive decorations, planning the logistics of the scavenger hunt, or acting as a specter in Wahoo Woods. Special thanks to Sam Bunte, Danielle Pacini, Erica Acevedo, Gene Barish, Diane Martinez, Kate Shepherd, Elizabeth Flores, and Lizbeth Hernandez.

Librarian Danielle Pacini continued her recurring teen programs in October, Anime Club and Pixel Art. These well-attended programs provide teens with a safe space to share their interests and collaborate on projects. Danielle also hosted watercolor silhouette painting programs in Corner 68 and at the Randall Oaks Library. Library Assistant Katie Redding took a fun approach to teaching hand sewing skills with her Sew a Mini Monster Plushie program. The teens were invited to select their favorite movie monster—such as the Mummy, Bride of Frankenstein, Frankenstein's Monster, Wolf Man, or Dracula—and use a pattern to turn it into a mini-plushie.

One of the highlights of October is the annual Halloween Parade and Extravaganza, at which families proudly march throughout the library in their Halloween costumes, participate in games and crafts, and pose for family photos. In the pictures below, you can see Youth Services Assistant Erin Sikorski leading the parade, and the attendees having a great time.

Lizbeth Hernandez hosted two bilingual programs in the Youth Services Department, both of which helped our young patrons get ready to celebrate Día de los Muertos. At her Recuerdame Shadow Box program, she taught them to construct shadow boxes to honor departed loved ones. At her Decoren una Galleta de Calavera de Azúcarby program, the attendees decorated colorful sugar skull cookies.

Signing, Snacks & Stories, hosted by Amairani Lopez, continues to gain momentum. At each storytime session, the attendees enjoy a story and a snack while learning ASL skills. This month's ASL vocabulary focused on animal signs and Halloween signs. One of our regular Tuesday Tales storytime sessions, hosted by Erin Sikorski, featured a special guest from the Carpentersville Fire Department. Erin and her guest read a book about firefighters and fire safety, after which the children in attendance got to try on fire safety gear!

Many other educational programs were offered in October. Community Discussion for Social Change, facilitated by Librarian Sam Bunte and Jasmin Munoz, met to discuss voter suppression. Making the Most of Your Social Security, presented by Renee Boyle of The Dala Group, provided details on various filing strategies as well as topics such as social security earned income limits and the taxation of social security benefits. Jasmin Munoz continued her English and Spanish-language baking classes in October with “spooky” bread baking.

We closed out our October programming on Halloween with a silent movie enhanced with live musical accompaniment by organist Jay Warren. 31 people attended this showing of *Dr. Jekyll and Mr. Hyde*. As pictured below, many staff members and patrons came to the library in fun costumes.

Youth Services staff members Amanda Keen and Erin Sikorski visited all four of the Dundee Township Park District pre-school locations in October, to engage with the students and to promote the Library District and its services. This included a.m. and p.m. visits to multiple pre-school classes, providing them with a wonderful and memorable introduction to the library. Amanda Keen also represented the library at West Dundee’s Trunk or Treat celebration in Grafelman Park, appearing as a witch with colorful apothecary jars while leading several outdoor storytime sessions. Danielle Pacini and Jasmin Munoz attended Carpentersville Middle School’s Scary Story Night, meeting with students, parents, and educators to share information about library programs and services. Danielle also represented the Library District at several after school clubs at Dundee-Crown High School, including Anime Club, LGBT+ Club, and Writing Club. Cari Poweziak paid a special visit to the Dundee Township Adult Activities Center for crafting with members of NISRA (Northern Illinois Special Recreation Association), which provides year-round recreation activities for people with disabilities.

The Public Services departments answered a combined total of 305 reference questions in October: Adult & Teen Services answered 240, and Youth Services answered 65. Public Services staff provided 44 one-on-one appointments in October. One-on-one appointments can address a wide range of information needs and allow for more personalized assistance than is possible at the reference desk.

Throughout October, I participated in regular meetings of the Illinois Library Association’s Diversity Committee, the Illinois Libraries Present Steering Committee, and I continue to work on the REFORMA Midwest Chapter Taskforce. On October 18, I attended the Illinois Library Association Annual Conference and participated in a panel presentation entitled “Illinois Libraries Present: A Statewide Virtual Programming Collaboration.” This conference presentation afforded me the opportunity to share the great work being done by Public Services at the Fox River Valley Public Library District.

### **Randall Oaks: Brittany Berger**

October was a busy month full of programs, passive activities, and Halloween celebrations. We handed out treats to over 90 trick-or-treaters who visited the Rec Center all month long. 219 kids completed our Halloween scavenger hunt to win a spooky prize, and we handed out 195 crafts, and 20 Baby Scientist Kits provided by Youth Services. Our in-house board games got a lot of use, with 43 families enjoying games like Uno, Munchkin, and Fluxx. This month also saw the return of a popular Randall Oaks activity: our youth interactive board. Children were invited to color a leaf and add it to our tree, and by the end of the month our tree was thoroughly covered by 316 leaves!

There were 18 programs at Randall Oaks this month and total attendance was a whopping 228! Pictured below is Rachel and Lisa’s Halloween Dance Party from October 17, where 24 kids danced the “Monster Mash” and paraded around the library in their costumes. Lisa also hosted a Painting Pumpkin Night on October 5, and families were able to leave their creations on display at Randall Oaks before bringing them home to enjoy on Halloween weekend. Further Halloween programs included Lisa’s Frankenscience and Rachel’s Zombie Bears. Teen Librarian Danielle visited RO for the second time this fall on October 20, when she led teens in Watercolor Silhouette Painting. Those of us working on the morning of Halloween decided to team up and dress as the Scooby-Doo gang!

This year's Winter Reading Challenge will be called Cozy Up with a Good Book. The challenge begins on December 1 and runs through January 15. Patrons can sign up and track their progress with the Beanstack app or by using a paper log. Everyone who registers will receive a cookie cutter and their choice of a bookmark. To finish the challenge, patrons will need to complete 4 out of 6 activity badges that have been designed for each age group. Teens and adults who finish will receive a booklight and touchscreen gloves with the FRVPLD logo. Youth and pre-readers will win a stress ball and winter bear plush. Prizes will be available December 15 through the end of January. Last year, there were 299 total sign-ups and 136 finishers.

### Account Services: Keri Carroll

Circulation numbers and visits remained steady across the board for both Dundee and Randall Oaks. Our new Home Delivery software is working wonderfully, allowing for easy route-creating and directions. License plate renewals increased to 42, and the 2024 license plate stickers were delivered, allowing us to seamlessly continue renewals into the new year. Supply chain issues at the beginning of 2022 had me curious if those problems would persist, but we seem to be back on track.

I attended the Back in Circulation Conference at the University of Wisconsin-Madison on October 3 and 4. Though the conference was on the smaller side, there was a solid variety of topics covered: effective leadership through intentionality, library security, and place-based librarianship. Some of the topics covered are already implemented at FRVPLD—circulating community passes and consortial delivery—but it was reaffirming what we do to reach our public. After the conference was over, I was able to attend a tour of the special collections department in Memorial Library, which was a nice finish to the event. Back in Circulation is biannual and I would love the opportunity to attend in 2024.

Additional training opportunities were afforded to me, three of which came from Ryan Dowd at Hesed House. Dowd is well known within the library world, and getting a chance to view his training topics for free is a rare treat. I watched *Basic Introduction to Mental Illness*, *How to Respond to Prejudicial Comments from Customers*, and *How to Backup Your Coworkers During a Crisis*. All three of these were viewed with the intention of gauging their usefulness for staff training, and all three were deemed valuable in my opinion. The training focused on backing up coworkers felt especially viable, as we move toward removing the Person-in-Charge designation and empowering all staff to take charge during a potential incident. The management team recently laid out our All Staff training dates for 2023 and I believe it would be worthwhile including any and all of these trainings next year.

### Public Relations & Outreach: Kirstin Finneran

**Outreach.** We visited four of the towns we covered a lot of ground this month with our outreach efforts. We attended the Algonquin Lakes Elementary Book Fair, Gilberts Bonfire, Carpentersville Middle School Literacy Night, and the West Dundee Halloween Party (where we connected with over 1,000 children!). New and exciting at this year's Halloween Party was a special spooky storytime by our own Miss Amanda.

**Custom Sign for Adult Graphic Novels.** With the creation of a dedicated adult graphic novel section in our stacks came the need to differentiate it from the rest of our collection. We wanted to make sure our patrons notice this new focus on a genre that is growing in popularity. Graphic Designer Dan Mitchell created overhead signage with matching shelf talkers to project the graphic novel vibe and immediately catch the eye of those browsing the stacks or looking for it outright.

**Digital Street Sign.** The PR department worked closely with Facilities to acquire a new digital street sign that will increase visibility and streamline the process to update and maintain it. PR has walked through basic training on how to program it and will also get more detailed and in-person training in the near future. One of the best features is the ability to program the sign in advance which cuts down on the need to constantly monitor the freshness of the messages.

**Winter Newsletter 2023.** Much of our time was spent preparing the winter newsletter. We knocked the publication down to 8 pages from 12 due to increasing printing costs. This option does not allow for much more than program descriptions, so it is not a viable option for the long term. We have way more to say about the library! That being said, the newsletter looks better than ever as Dan Mitchell updated the design to reflect his style and coordinate the rest of the design work he has taken on since his arrival. It is not a total redesign right off the bat, but that is a project that we will see happen within the next year.

## **Facilities: Michael Lorenzetti**

Roof update: There were a couple of rainy periods during October and no leakage was detected. A weekly cleaning of the drains was done as it is very important this time of year with all the leaves and debris.

Electronic Message Sign: The suspense is over, Doyle Signs was onsite 10/06 and 10/07 for the sign install. It went smoothly and the Public Relations department is controlling the messages that appear on the sign. The Facilities Department is very happy to not have to change letters during rain/snow/cold weather. Positive responses and reviews have been received on the new sign. The next step is the base foundation, delayed due to a shortage of bricks. That will be followed by a Sebort representative evaluating the site and providing a proposal for aesthetic groundcover planting to take place in the spring of 2023.

Wahoo Woods: The Township is adding an ADA compliant entrance to the area.

Electric: Peters Electric was onsite on 10/25 and 10/26 to correct electrical issues.

LIRA Inspection: On 10/27 a representative from LIRA (Libraries of Illinois Risk Association), our insurance group, was onsite for the annual Physical Hazard Survey. This consisted of a walkthrough and inspection of the Dundee Library, as well as a Loss Control Assessment. Many of the recent safety upgrades, such as sidewalk repairs and electronic key-card locks, were recognized as improvements. The report that results from the inspection helps us to identify potential risks and address requirements that need to be met. This year's report only indicated minor issues that need correction.

Fire Extinguishers: Fox Valley Fire and Safety was onsite on 11/01 for our annual certification of the fire extinguishers.

**PATS (Purchasing, Acquisitions and Technical Services): Karin Nelson**

Savings: over \$500 in large part due to a discount from RAILS when renewing our SWANK movie license for 2023.

Magazines: We will complete our annual magazine issue weeding project this month so that our holdings statements in our ILS match what we have on our shelving units.

**IT/ Network: John Sabala**

The library patrons who attend our computer classes in Corner 68 will now be using newer laptops and an updated version of Microsoft Office. We have replaced the 13 laptops in the lab with newer HP models. Additionally, those older 13 laptops are still valuable and will be used to replace the existing inventory that is circulated with a normal three-week check-out period. IT will spend November reconfiguring those older laptops and send 12 to Account Services and retain 1 for Randall Oaks outreach use. This refresh is expected to improve the patron's experience with our technology. It is the library's goal to stay relevant with our circulated items as much as possible.

**C.1 Ordinance 2022-10 Levying Taxes for Fiscal Year 2022 - 2023**

RECOMMENDED **MOTION**: I move to adopt ordinance 2022-10 levying taxes in the amount of \$3,945,200. for fiscal year 2022-2023

**BACKGROUND INFORMATION:**

Illinois State Statute 75 ILCS 16/5-45 authorizes the library district to levy annual public library taxes on properties within the district. The principal function of the levy is to fund that portion of the budget that is not funded by other sources. All taxes proposed to be levied by a district must be levied by ordinance, a certified copy of which must be filed with the County Clerk, not later than the last Tuesday in December in each year. The library taxes provided in the Illinois Public Library District Act shall be levied by the district and collected in the same manner as other general taxes by the county collector or collectors affected by the levy.

The levy is prepared in a manner which maximizes the library district's ability to keep pace with economic pressures and capture growth of new property within the confines of the Property Tax Extension Limitation Law (PTELL). Specifically, the FY2223 levy amount is based upon our FY2223 Appropriation and matches the "Estimate of Funds Needed" total figure of \$3,945,200 the Board approved in the October meeting.

- We've appropriated \$5,074,040 in the General Corporate fund, so the entire levy \$3,945,200 will be for that fund.

This levy is expected to capture all property tax revenues the Library is legally permitted to receive without triggering Truth in Taxation Act (TITA) notice and hearing requirements.

*The Library will close on those holidays during the year approved by the Board Ordinance and may close for staff training, special circumstances or an emergency. Revised December 8, 2014”*

The Library proposes amending the library holiday closures in calendar year 2022 to include an unpaid holiday closure at 5 pm on Wednesday, November 23<sup>rd</sup>. This proposed amendment is highlighted in red type on the attached ordinance. The paid holiday closure for Thanksgiving remains Thursday and Friday, November 24<sup>th</sup> and 25<sup>th</sup>. There are no other changes.

A chart comparing FRVPLD holiday closures with national and state closings is attached to this document.

Federal and State holiday observances do not take weekends into consideration unlike the library district, which is open 7 days a week.

#### C.4 Annual Treasurer's Report

RECOMMENDED **MOTION**: I move to approve the annual Treasurer's Report.

#### BACKGROUND INFORMATION:

The Public Funds Statement Publication Act (30 ILCS 15/1 et seq.) requires the public officer, usually the Treasurer of the Library Board, of every library that by virtue of his office receives and disperses public funds to prepare and file an Annual Statement of Receipts and Disbursements, commonly known as the Annual Treasurer's Report.

The report must be filed in the office of the County Clerk within six months from the end of the fiscal year.

The report must identify and contain the following information:

- Identify all monies received by source and amount, and combine all funds together
- Identify all monies paid out to vendors where the total amount paid during the fiscal year exceeds \$2500.00 in the aggregate, naming such vendors and indicating the amount paid and the amount charged (not including payroll) and combine all funds together
- Identify all vendors receiving less than \$2500.00, report this amount as "All Other Disbursements Less than \$2500.00, and combine all funds together
- Identify all monies paid as compensation (gross, before deductions) for payroll services, listing the name and compensation received by every elected/appointed official and employee. The Treasurer may elect to report compensation by name, listing each person in one of the following categories:
  - Under \$25,000.00
  - \$25,000.00 to \$49,999.00
  - \$50,000.00 to \$74,999.00
  - \$75,000.00 to \$99,999.00
  - \$100,000.00 to \$124,999.00
  - \$125,000.00 and up
- Draw up a summary statement of operations for all funds and account groups as excerpted from the annual financial report filed with the Office of the State Comptroller, 30 ILCS 15/1.

Administration has prepared the attached Annual Treasurer's Report on behalf of the Treasurer and in compliance with state law. Approval is recommended so that the report can be filed with the County Clerk within the statutory deadline. Publication is not required as the Library will publish an Availability of Audit Notice within the statutory deadline. (30 ILCS 15/2)

**Exhibit C.5 Plumbing Upgrades – A&T Plumbing Inc. & Son**

RECOMMENDED **MOTION**: I move to allow the Director to enter into an agreement with A&T Plumbing Inc. & Son to install plumbing upgrades at Dundee Library in an amount not to exceed \$22,000.00

**BACKGROUND INFORMATION:**

The current restroom facilities at Dundee Library were last renovated in 2008. Since that time certain fixtures have become outdated and are no longer ADA compliant. Additionally, some sensor valves need replacing and some new valves will be installed. In addition to hands-free faucets and soap dispensers, all toilets will be auto-flush.

Total estimate for work is over the Director's authorized spending limit but below the threshold that requires going out for bid on this project. A&T Plumbing has performed work for the Library District in the past and proven both competitive and competent in cost and quality of work.

**C.6 Accept Annual Comprehensive Financial Report (ACFR)**

RECOMMENDED **MOTION**: I move to accept the Annual Comprehensive Financial Report (ACFR) for Fiscal Year 2021-2022

**BACKGROUND INFORMATION:**

The Annual Audit (ACFR) for FY 2021-2022 was prepared by Lauterbach & Amen, LLP and will be presented at the November 15, 2022 Board of Trustees meeting. [50 ILCS 310/2, 3]

**Exhibit C.7 Per Capita Grant Application - discussion**

No motion needed

**BACKGROUND INFORMATION:**

The Public Library Per Capita Grant program was created by the Illinois Legislature and is administered by the Illinois State Library. The intent of the program is to help public libraries improve and increase library services to their service areas.

Under Illinois law, a grant allocation of up to \$1.475 per resident is available to public libraries that comply with the criteria each year and submit an application on or before the deadline to file. The Library received 2022 Per Capita Grand funds of over \$100,000.

For 2023 grants, the application deadline is once again anticipated to be January 30, 2023. The actual allocation received will be based upon the funds appropriated by the legislature for the program in the upcoming year, if they choose to do so.

While the Director does not need a vote of the Board to apply for grant funds, the draft application is provided to the Board for comment, questions, or feedback.

**Changes in the population count** for the eligible service area must be documented and supporting information that details the increase or decrease shall be submitted electronically with this application. Documentation must include one of the following:

- A U.S. Census certification (e.g., correction or special census) that has been filed with the Office of the Secretary of State Index Department prior to submission of the application.
- For population changes, annexations or disconnects that are typically not documented by the U.S. Census, the library must submit appropriate and substantial supporting information, including a certified population count. Examples include, but are not limited to: legal documentation from an appropriate municipal corporate authority or a library district's referenda questions and certified results.

If the population has not changed, no additional documentation is necessary.

**Service Area Population** 71,541
