## ◆ REMEMBERING THE PAST, GREETING THE FUTURE

The Library will be burying its 100 year time capsule and dedicating a new Liberty Tree on Saturday, April 7. This tree replaces one planted by the Dundee Masons in 1976.

The first tree commemorated the original Liberty Tree located at the corner of Washington and Essex Streets in Boston. Planted in 1646, it first became a centerpiece for the American patriot cause 119 years later in 1765 when Stamp Tax protestors hung the tax collector, Andrew Oliver, in effigy from a limb of the tree. During the next decade, the tree and surrounding grounds became the site where the Sons of Liberty planned protests, hung banners and lights, held mock courts and celebrations.

Countless imitators of Boston's Liberty Tree were spawned in towns and settlements all over the American colonies. As the concept of revolution spread across the Atlantic, Liberty Trees and Liberty Poles sprang up in Ireland and France - over 60,000 in France alone.

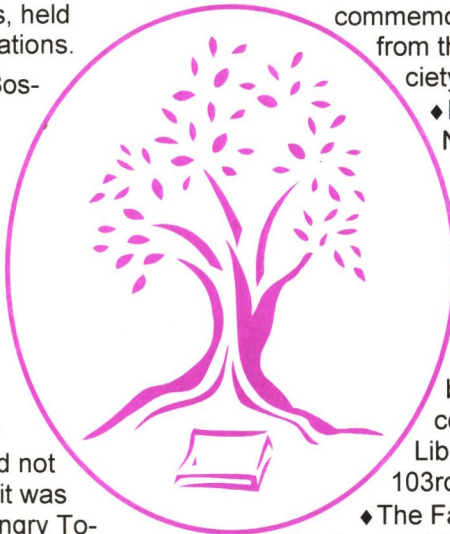

The first Liberty Tree did not survive the Revolution; it was cut down by a mob of angry Tories in August of 1775 and chopped into 14 cords of firewood. The symbolism of the tree, however, has persevered over the centuries in the memory of freedom-loving people everywhere.

The dedication of the 2001 Liberty Tree and burial of the Library's time capsule on the front lawn of the Library will begin at 2:00 and Dundee Township residents are all invited to the ceremony.

What's in the time capsule? A number of Dundee Township residents and organizations took advantage of the

Library's time capsule to enclose greetings and memorabilia for our communities of 2101. Items included:

- ◆ The official East Dundee Fire Department patch and a mug commemorating their 110th anniversary.
  - ◆ A collection of anniversary memorabilia from the Dundee Lions Club.
  - ◆ A collection of family photographs from Nancy L. Smith.
  - ◆ A roster of the team members, a history of the teams and award ribbons from Pamela Melia for the Dundee Dolphins swim teams.
  - ◆ A copy of the book *Dundee Township 1835-1985* and a Christmas ornament commemorating Centerville School from the Dundee Historical Society.
  - ◆ Issues of the Library Newsletter from 1995-2001, a copy of the Library's handbook and a collection of photographs of the building's interior and exterior and the Staff.
  - ◆ Bookplates designed by Jack Wendt and a copy of the history of the Library compiled for the 103rd anniversary in 1979.
  - ◆ The Family Trees of Robert Hawkes and Alva Giles and Armitto King
  - ◆ A collection of flower and vegetable seeds and a gardeners catalog featuring unusual plants from Susanne Clark.
  - ◆ A Library calendar of events and notable historical dates and a card with a poem and greeting from Library staffer Gail Simons.
  - ◆ Children's clothing decorated with cartoon characters from Catherine Hoster.
- A display of photographs of the items and the time capsule itself is in the Library on the main floor until April 6.
