◆ A GIFT FOR THE FUTURE

In celebration of the Library's 125th Anniversary, a 100 year time capsule is going to be buried on the Library grounds during National Library Week in the first week of April, 2001. We would like to invite everyone in Dundee Township, businesses, organizations, families and individuals, to participate in this gift for the future by submitting items to be buried in the capsule. After documenting and photographing, they will then be sent to FUTURE PACKAGING & PRESERVATION LLC in Covina, California, where the stainless steel capsule and its contents will be readied and then sealed for burial. Because of capsule size restrictions and the number of items under consideration, the 125th Anniversary Committee may have to limit what can fit inside.

If you, your family or your organization are interested, the guidelines below should help to clarify what type of materials are suitable for a time capsule:

- ▶ **Ceramic**
- ▶ **Glass**
- ▶ **Wood**
- ▶ **Metal**
- ▶ **Acid-free/archival paper** for documents
- ▶ **Black and White photos**; they are more stable than color prints
- ▶ Pieces not longer than 18" unless they can be easily folded.

These materials are unstable and deteriorate over time:

- ▶ Newspaper and similar low quality paper items are highly acidic and contribute to the deterioration of other items. A newspaper item or document copied on acid-free paper is stable.
- ▶ Plastics cannot be depended upon to survive in their original form and can give off gases that can harm articles in the capsule.
- ▶ Video tapes, audio cassettes, computer disks or CDs not only will deteriorate but will not be playable in the future as the technology that makes them accessible now will no longer exist.

What sort of things should you consider for the time capsule?

- ▶ A "Greetings to the Future" from your organization or family.
- ▶ Photographs and/or a history of your group with names and addresses.
- ▶ Memorabilia you feel represent our times.
- ▶ Transcripts of speeches, printouts of data and sheet music.

All materials should be labeled and turned in at the Library Media Desk no later than January 31, 2001.

If you have any questions, please contact the Library Community Relations Coordinator, Sue Clark, at 428-3661, ext. 203.

◆ FEBRUARY IS BOOK LOVERS MONTH

As part of our 125th Anniversary Celebrations, patrons of all ages who love books and reading are invited to join in a month long appreciation of the printed word. Stop by the Adult Reference Desk or the Children's Desk and fill out a brief description/commentary of a book you loved. It could be a classic novel, a childhood favorite or a biography that changed your life. They then will be posted (writer's name optional) in the Library for other patrons to view and enjoy.

The bottom part of the form is a tear-off entry blank for drawings of book-related prizes; reading lights, book covers, note cards and lots more. Drawings will be held on Thursday, March 1 and winners will be notified by phone.

◆ 125TH ANNIVERSARY COMMITTEE

Among ongoing projects are the Library's time capsule, a display on the Gallery Wall of the Library's long history in the community and an old-fashioned 1876 style literary tea featuring American author Mark Twain as guest speaker on Saturday, March 3.

◆ BOOK DISCUSSION GROUPS CELEBRATE 5 YEARS

The meetings of the Library's two book discussion groups on November 29 were special occasions for their members, marking five years of talking about books. They have been choosing, reading and discussing fiction, non-fiction, classics and plays monthly since November of 1995; a total of 55 books by authors from around the world. Talking about her participation, long time member Charmaine Hamill commented, "It's fun to read a book you are enthusiastic about and then exchange points of view about it. I am pleased to have discovered new authors and expanded my reading choices." "I joined because I have a love of books," evening group member Pat Shell said, "and I have continued in the group because the discussions are always interesting."
