

Starting September 1, new loan policies and fee schedules will be in place.

NEW LOAN POLICIES AND FINE SCHEDULE

The Dundee Township Public Library District Board of Trustees approved a new loan and fee schedule at their May 14 board meeting.

NEW CHECK OUT PERIOD

Books, Cassettes, CDs

These items can be checked-out for 14 days if new, otherwise 28 days. Renewable once, if there are no holds.

Magazines

Current magazines do not circulate. Other magazines may be checked-out for 14 days. Renewable once, if there are no holds.

Videos

Videos are a \$1 rental, with a 3 day loan on new videos, and 7 day loan on other videos. Renewable once, if there are no holds.

DVDs

DVDs have the same loan periods as videos.

Prize Picks

Prize Picks can be checked out for 7 days with no renewals.

Holds

Library patrons in good standing can place holds on materials and request materials from our library or other libraries.

Overdue fines are now 20 cents per day, per item, for all materials.

All patrons must have their library cards to check out materials. New library cards may not be requested within 15 minutes of closing.

Lost Library Cards

A \$1 fee will be charged to replace a lost library card.

Lost Materials

There will be a \$5 processing fee, plus the cost of the item. If the item is returned within 3 months the \$5 fee will be refunded. Refunds will not be given for lost materials returned after 3 months.

Overdue Accounts

An overdue account reaching \$5 must be paid in full before checking out any additional materials.

Overdue accounts that reach \$25 will be sent to a collection agency. A \$5 processing fee will be charged per item. A \$7 collection agency fee is also charged per account, as charged to the library by the agency. Both fees are non-refundable.

Don't Forget

You must have your library card to check out materials. Your DTPL library card is your carrying card, so don't leave home without it.

Sign-Up Month

September is National Library Card Sign-Up Month. You need two forms of ID, with your current name and address, to obtain a DTPLD library card. The first 12 new residents who register for a library card in September will receive a maroon DTPLD tote bag. The next 80 people who receive a new library card will take home a DTPLD pen.

Community Survey

Your DTPL District wants to serve your needs. Please take a moment to complete the enclosed survey. Either mail it back, or drop it by the library at the circulation desk. Your input is greatly appreciated! Thank you!

FOOD FOR FINES

The FISH Food Pantry in Carpentersville is in dire need of non-perishable food. At the August 13 board meeting, the Dundee Township Public Library District Board of Trustees approved a Food for Fines period. During the month of September, 2002, fines for materials that were due between June and August, 2002 may be forgiven if returned with 1 non-perishable food item per overdue item.

No dented, expanded, rusty, swollen, expired or opened goods will be accepted. Food donations will be delivered to FISH. For specific details, contact the Circulation Desk or visit our web site www.dundeelibrary.info.
