## AARP TAX SERVICES

### Knowledge Sharing Thru Volunteering

For over 18 years Seniors have assisted their peers with their income taxes at the library. Trained volunteers of AARP, American Association of Retired Persons, are income tax counselors for seniors and the elderly.

The 5 volunteers are not accountants or experts, merely advisors. Last year they prepared 353 state and federal income tax returns. Nationally 31,000 AARP volunteers serve over 1.6 million taxpayers per year at over 10,000 sites.
