

DUNDEE TOWNSHIP PUBLIC LIBRARY DISTRICT NEWSLETTER

Fall, 2004

NOTES FROM THE DIRECTOR

Changes at the Library

Now that the summer is over we look forward to fall's changing colors. We, too, are looking at changes within the library. The first of these changes is the implementation of a new printing and computer reservation system, which took effect on August 3, 2004. The increased cost of paper, toner, and maintenance has required us to charge for computer printing. The library delayed instituting these changes for as long as possible.

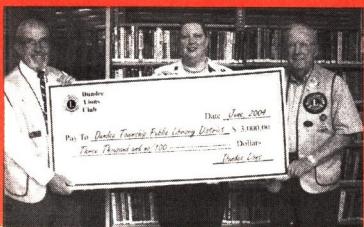

The reservation component of the system will be an added convenience for you as you make reservations and monitor your computer time at the library. We are excited about this new system. We appreciate your patience during this period of transition.

Another change to occur this fiscal year will be updating the restrooms to comply with the Americans with Disability Act (ADA). This is one of the many steps the Library Board has taken to ensure that all community residents have access to the building and library services.

As always, my door is open to library patrons and I enjoy seeing many of you at our programs.

Elisa F. Topper

Special Thanks to the Lions Clubs

Check Presented to Library

(L to R): Jim Connelly of the Dundee Lions Club, Elisa F. Topper Library Director, and Ron Rhoades of the Dundee Lions Club.

Thanks to two local Lions Clubs our Media Department has some new special services. The Dundee Lions Club gave us a check for \$3,000 to purchase large print and audio books. A new magnifier from the Carpentersville Lions Club gives users easier viewing of

their reading materials, records, photos, and other items. It magnifies from 2x to 120x. We are delighted to provide this new service to patrons who may benefit from its use. Our community is fortunate to have philanthropic organizations that support our library.

Register to Vote @ the Library

On Saturday, September 11, 2004, libraries throughout Illinois will provide voter registration at their library. To honor this date the Dundee Township Public Library is partnering with the Carpentersville-Dundee League of Women's Voters to register voters between 10 a.m. and 3 p.m. Encourage family, co-workers, neighbors, and friends to register to vote. If you are unable to register on that day you may register at the Circulation Desk during library hours until October 5, 2004. United States citizens who are 18 years old and older are eligible to vote. For additional info go to www.dundeelibrary.info.

We Are Recruiting More Friends

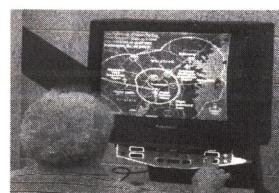

Following a summer break, the Friends of the Library will meet at 4 p.m. on Wednesday, September 8, 2004, in the library's meeting room. If you are unable to attend the group, you may join and be added to their mailing list by calling Elisa F. Topper at (847) 428-3661 ext. 202 or e-mailing her at etopper@nsls.info.

Meet the Media Desk Staff

The Media Department will help you find magazines, magazine articles, and audiovisual materials. If you need to create a letter, report, or resume, the Media Department offers computers with Microsoft Word, Excel, Access, PowerPoint, Publisher, and Perfect Resume.
