

# DUNDEE TOWNSHIP PUBLIC LIBRARY DISTRICT

Fall  
2005

## Notes from Director Elisa Topper

With the start of the library bathroom remodeling a few days away, the thought of construction materials and foundations are on my mind. However, the foundation I am thinking about is not the actual structure of our library building, but the Dundee Township Public Library District Foundation that was instituted on April 11, 2000.

The objective of the DTPLD Foundation is to enhance library services beyond the tax dollars generated within the Dundee Township communities. Today, the library successfully serves over 54,000 residents in its five growing communities.

The DTPLD Foundation is guided and managed by an independent board of directors composed of library trustees, friends of the library and community leaders. The DTPLD Foundation is now seeking additional members to join the board. If interested, please contact me directly.

In the coming months, you will start to see copies of the new brochure being distributed in the community. Be sure to pick one up and consider making a donation in memory of friends and loved ones or to signify a special occasion in a family member's life, such as a birth, graduation or wedding anniversary. Donations received are used to sponsor a children's program, purchase new furniture or artwork for the library or to purchase books on a special topic. Items purchased and programs sponsored recognize the donor (or may remain anonymous). In the case of a book, a name plate is placed in the book signifying the name of the person making the donation and the person being memorialized or honored.

We also welcome the opportunities for gifts and donations in the form of planned gift giving and corporate matching gifts.

Giving to the DTPLD Foundation will ensure the legacy of strong services and programs for everyone in the township for today and tomorrow.

## The library has joined the

### North Suburban Digital Library Consortium

Starting in September, the library will offer a new remote service to patrons. The Digital Book Catalog and Download Center enables patrons to download eBooks and audiobooks from our website directly onto your personal computer, PDA or MP3 device.

*It couldn't be easier!*

Follow the simple step-by-step directions to place holds and download materials. Once your requested materials download, you have the materials for an allotted time. After that time, the materials are automatically returned, and you never have to worry about late fees.

*It's all on the web!*

This program is only available for home use. Everything you need is right there on your computer. Visit [www.dundee.library.info](http://www.dundee.library.info) now to get started! All you need is a personal computer, Internet access and your library card, and you can start browsing through hundreds of fiction and non-fiction eBooks and audiobooks.

### September is National Library Card Sign-Up Month

McDonalds and the Dundee Library are partnering up. Now, if you show your library card at a participating McDonalds during the month of September, you will receive a free ice cream cone or cookies with the purchase of a Value Meal.

If you do not already have a Dundee Township Public Library card, now is the perfect time to stop in and sign up. In order to receive a library card, you must provide two forms of identification with your home address.

Do you have the smartest card in your wallet?
