

# DUNDEE TOWNSHIP PUBLIC LIBRARY DISTRICT

Spring 2005 Newsletter

## Notes from the Director

Exciting things are happening at "your" library. Just back from presenting our grant proposal for ADA (Americans with Disabilities Act) access before the State Library, I am pleased to report that we were one of two libraries from the Chicago area to receive these highly competitive funds. Bathrooms will be remodeled to be in compliance with ADA in the next four months so please be patient with us during this time.

The Dundee Township Public Library is now a "hot spot". We have gone Wi-Fi (wireless, that is). Visitors with a laptop and a wireless network card can tap into the library's high-speed Internet connection. By offering wireless access, patrons can use their computers in a quiet environment as requested by many of you in our library suggestion box. Many of the improvements in the library come directly from YOU.

The Board of Trustees had a successful Board Retreat last month and is planning for the future of the library. Be sure to vote on April 5, 2005 for those running for Board of Trustees positions.

The Spanish books that I purchased at the Guadalajara Book Fair are coming in and are being added to the collection.

Finally, join us during National Library Week, April 10-16, 2005 for great programs and activities. I hope to see many of you here.

Elisa F. Topper  
Library Director

### Home Word Bound

Introducing our new service to the homebound. Through Home  
Word Bound, the library will deliver books and other library materials to  
individuals who are unable to visit the library due to an illness or disability.

This program was made possible through a grant from Elgin  
Financial Savings Bank Foundation and a generous donation from the  
Dundee Lions Club to purchase large print materials. The outreach  
services will include free delivery via the library's van to homebound  
individuals, reference services, and interlibrary loans.

We have materials for your specific needs, including books on  
tape and CD and large print books.

If you or someone you know would like to participate in this  
program, please call 847-428-3661 ext. 214.
