Notes from the Director

It was so great to see so many of you who stopped by our booth at Heritage Fest to Spin the Wheel and win our wonderful prizes. Special thanks to our Board members, Friends of the Library and staff that helped to make this the best Heritage Fest ever!

As I reported to you in the last newsletter, we have begun to plan for the future of the Dundee Township Public Library. The Board, management team and staff have begun a process called SWOT: Strength, Weaknesses, Opportunities and Threats.

The first step that we are currently undertaking is to collect RFQ's (Request for Qualifications) from architects to contract for a feasibility study of this building as well as our options for expansion on the West Side. We hope to have the completed study by early spring and begin to plan based on the outcomes.

The Board and staff will also be developing a long range plan for the direction of the library and continue to pursue obtaining the additional space in this building so that we can continue to serve our communities.

The Friends continue to support the library by providing funds from the book sales to purchase materials. We thank them formally for funding the following items from our "wish list": \$2,500 to purchase books for a core World Languages collection, \$1,000 to fund large print books, \$1,000 to fund audio books and \$2,500 to fund school library visits.

During the 2007-2008 school year, second grade students from 12 area elementary schools will be transported by bus to the library for a field trip. These bus trips will be paid for by the Friends, and, for many children, it will be their first trip to a library. We can not tell you how excited the children are after visiting "their" library for the first time! Special thanks to the Friends for funding this project and to Heidi Hohman, Head of the Children's Department, for creating this project and the Children's staff for their help in coordinating the tours.

As we bring this calendar year to a close, best wishes for a happy holiday season!

Elisa Topper, Director

Everybody's A Winner!

One of the last players during September's National Library Card Signup Month was Brad Amodeo, of Gilberts, in photo above, who signed up for a new library card. He then won a quart of Oberweis ice cream on his spin of the game wheel located in the library's lobby.

A chance to spin the wheel loaded with prizes was a great incentive to encourage community residents to sign up for a new library card. The event was co-sponsored in conjunction with the Friends of the Dundee Library.

The wheel was also a big draw at the library's booth at West Dundee's 2007 Heritage Fest on Sept. 15 -16. More than 650 visitors eagerly lined

up to see what luck would bring them (*photo left*).

Many thanks to volunteers Liz Gade, Jennifer Blessman, Carrie Brecke and Mary White,

Board members; Friends' Bruce Tietgen, Diane Campbell, Eleanor Mamayak, Kathy Tennis, Mary and Gene Lamp, and the library's employees who staffed the booth. It was fun!

The U.S. Version of the "Supernanny"

Nationally-known Parenting Expert To Speak at Library on Nov. 3

If you would like to minimize daily battles with your kids from tots to teens, plan on attending a special program on Saturday, Nov. 3, sponsored by the Dundee Township Public Library.

From 2-3:30 p.m., parenting expert Gail Reichlin will lead an interactive presentation focusing on positive discipline principles, as well as practical tips and solutions to everyday challenges all moms and dads can relate to--such as morning "crazies", sibling fights, bad words, whining, lying, power struggles, the "gimmies" and disrespectful attitudes.

A consultant to Sesame Street Workshop, Reichlin will offer strategies that work while preserving the dignity of both parent and child.

Although her anecdotes highlight situations with young children, her sanity saving techniques are effective with people of all ages--including your spouse, your friends, your boss and even your mother-in-law!

Reichlin, a nationally respected keynote speaker for both parents and teachers, is a 36-year veteran preschool teacher, parent educator, and the founder and executive director of The Parents Resource Network in Chicago. She is well-known for her wit and wisdom relating to effective discipline and communication with young children.

She is also the co-author of a best-selling book called *"The Pocket Parent"* which has over 120,000 copies in print to date and has been translated into Spanish, Portuguese, Arabic, Russian, Serbian, Indonesian, and Hungarian.

For more information or to register for this free program which is open to the public, call 847-428-3661, ext. 310.

Above, guest speaker Gail Reichlin. Reichlin was also the runner-up to the parenting expert selected for the popular British reality show, "Supernanny", that debuted in 2004.

The Dundee Township Public Library would like to express its appreciation for a generous donation recently received from the Pearson Family in memory of Karyn Pearson. The money was used to purchase many children's books. Karyn was an avid reader and always had a book open.
