NEWS

Spring, 1996

Volume 3 Number 1

From the Director

Sylvia Murphy Williams

My first six months have been challenging and very rewarding! I have enjoyed meeting so many of you and talking to you about what should be offered here at the Library. It is truly refreshing to find a community that cares about its Library as much as you do.

Because of your suggestions, we have made a number of improvements in our services. For example, we now reserve the word processor by telephone and have begun a wonderful adult book discussion group. We've also enclosed the "pit" area of the Children's Department to allow more space for seating and new materials.

The Dundee Township Public Library Board of Trustees has approved an automation plan that will bring more technology to the Library. This new plan will give you on-line access to the Library's card catalog, the Internet, and to the holdings of over 25 other libraries. In addition, it will make available to you several databases from the Illinois State Library in Springfield.

The coming months promise to be very exciting as the Library Board, staff, and I work diligently to bring you these new products before the end of spring. It is our priority to make available the materials and services that you as a Library Community need and value.

We are planning the Library's future with this goal in mind, and we want to hear from you. On the back page of this newsletter you will find a survey. Please take a few moments to fill it out and return it to the Library. We have already received many good ideas from you and are anxious to see what else you have to say. So, please let us hear from you!

a bit less TAXing...

Taking some of the pain out of filing income tax returns are several AARP volunteers participating in the Tax Counseling for the Elderly (TCE) program. Seniors needing assistance with completing basic IRS and Illinois forms may call the library (428-3661) to schedule a free appointment.

As a public service, the library also stocks a supply of the most common federal and state tax return forms. Master copies of IRS publications are also available in the reference area.

Friends of the Library

Mark your calendars for these events sponsored by the Friends of the Dundee Library:

March 20, 7:30; *Once Upon a Memory* by author Robert Gilmartin. Learn how to transform your memories into lasting treasures for your loved ones.

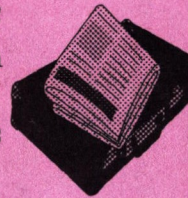

April 16, 7:00 (annual meeting); *The Prairie State Primer* by John Lynn. This slide/lecture presentation will reveal many little-known facts about Illinois.

When a reminder notice regarding overdue library material was mailed December 7, it should have arrived a day or two later. After all, its destination was only a few blocks away. The letter took a slight detour, however... to Dundee, Scotland! When it reappeared in Dundee, Illinois, a month later, it bore a Christmas greeting from the good folks in our sister city!
(and - yes - the wayward books have been recovered!)
