Public Comment

Corbett reviewed the parameters of the Public Comment:

Members of the public are invited to address the board on the tax levy. Those wishing to speak must sign the Public Comment sheet at the back of the room before the meeting identifying themselves by name, town, and organization (if applicable); this information will be recorded in the Minutes of the meeting. Speakers should limit their comments to 5 minutes or less. The Board will not enter into two-way conversation with members of the public. Trustees will take public comments under advisement. Trustees wishing to ask clarifying questions will be recognized by the president before speaking. Corbett asked for comments on the Tax Levy Ordinance from those in attendance.

Richard Pawlicki – Gilberts

Mr. Pawlicki came before the Board to state his opposition to the Levy. Noting his social security income which only increases by the COLA, he requested the Board consider his and similarly situated patrons' circumstances in their determination.

Corbett thanked Pawlicki for his comments and asked if there was anyone else who wished to comment. There being none, he called for a motion to *ADJOURN TO THE REGULAR BOARD OF TRUSTEES MEETING*. Moved by Trustee Kuhlman and seconded by Trustee Tennis, the Tax Levy Hearing was adjourned by unanimous voice vote at 7:06 PM.
