Dundee Library • Randall Oaks Library

NEWS & PROGRAMS

Serving 70,000 residents of Carpentersville, East Dundee, West Dundee, Sleepy Hollow, Gilberts, and parts of Algonquin

## First things first — Do you have a library card?

Get an online library card for immediate access to our digital content like eBooks, eAudiobooks, music, movies, TV shows, eComics, online learning, genealogy, games for kids, craft classes, language learning, and way more.

This is available to residents who reside in the FRVPLD and have never had a library card — including children! Here's how:

1. Visit [www.frvpld.info](http://www.frvpld.info) and click on the "My Account" tab.
2. Click on "If you are not registered for library services, click or tap here to register now" and follow the easy prompts.
3. Fill out the online application.
4. A six-digit number that starts with PACREG will appear immediately.
5. Use the number (including PACREG) to immediately download, stream, and access online content.
6. Come in and get the physical card when the library reopens.

If you have any trouble, please email [libraryhelp@frvpld.info](mailto:libraryhelp@frvpld.info). We have limited staff available, but we are responding to these emails as soon as possible.

## UPCOMING CLOSINGS

Mon., May 25    Memorial Day  
Sat., July 4    Independence Day

## FRVPLD NOW OFFERING HOME DELIVERY!

Books, DVDs, audiobooks, CDs, video games, and more delivered to your door. See page 3!

## 2020 Summer Reading Challenge is online!

Dig Deeper into whatever interests you this summer! Read, investigate, and discover more about things you think you already know about, and even something new. We have moved our annual summer reading challenge online with Beanstack, a digital platform where you will log your reading and keep track of the challenge badges you earn. Summer reading will run from June 1 through July 26. Here are this year's challenges:

**DIG**  
2020  
**DEEPER:**  
• READ •  
*investigate*  
**DISCOVER**

**Reading Badges:** Earn a reading badge for every two hours you read. Collect all the reading badges in your age category to earn your finisher book prize.

**Bonus Activity Badges:** Take your knowledge to the next level, and have a little fun while you earn activity badges like Nature Investigator, Armchair Traveler, Library Influencer, Virtual Museum Visit, Local History, Scientist, and many more. Each activity badge earns you a chance in our bonus prize drawings. The more you collect, the more chances you have to win!

Sign up at [www.frvpld.info/summer-reading-challenge](http://www.frvpld.info/summer-reading-challenge). Keep your challenge at your fingertips by downloading the Beanstack mobile app for your Apple or Android device.

## KICK OFF SUMMER READING WITH A SPECIAL CONCERT BY JIM GILL!

Monday, June 1, 10:30 a.m.

Watch the video at [www.frvpld.info/summer-reading-challenge](http://www.frvpld.info/summer-reading-challenge)

If you've ever been to an FRVPLD storytime, you already know we are big fans of Jim Gill's songs and musical books! Now Jim has created a special video concert for us filled with opportunities for everyone to sing, play, and read along.

The video will be available for 72 hours to make sure everyone can watch, even if it's again and again!

## Looking forward to being your “third place” again

Libraries are considered a “third place.” The “first place” is our home, where we live. The “second place” is where we work. The third is a community place, where we gather. Since March 13, those lines have blurred. Many work from home, and students lived and learned from home. FRVPLD has provided virtual library service at home as well.

In response to increased demand for eBooks and eAudiobooks, we purchased hundreds more since March 13. Virtual storytimes are now held multiple times each week, our book club meets virtually, and we added various trivia nights and other craft-related and computer programs this summer via Zoom and YouTube. We have offered streaming video and music services for years — now video and music downloads have reached record numbers of patrons.

But we miss being your “third place.” So much of what we do is rooted in the physical: books, movies, and video games getting checked out; parties and programs, gatherings of hundreds playing and learning. We're eager to provide physical materials and services to you once again.

### Current Status

If you have library materials at home feel free to hold on to them. Due dates have been extended so nothing is currently due, plus FRVPLD is fine-free so you will incur no fees for holding on to any checked-out items. If you really want to return them, you can return them to the Dundee Library outside book drop. No other book drops are open at this time.

Items returned to the Dundee Library are quarantined for a minimum seven days. After the quarantine period, materials are checked back in, and removed from your account. The quarantine period may change as more data is collected so we can proceed with as much caution as is reasonably possible. It's important to remember that library materials are shared – there is no guarantee that delivered items, or curbside pickup items, will be free from COVID-19.

### Planning for the Future

Illinois released “Restore Illinois” guidelines which explain what services are permissible given varying phases of COVID-19. In May we were at Phase 2, and as a unit of local government it's up to the library to determine what our “essential operations” are. We will start with delivery service because it requires less PPE and fewer staff members working in close proximity. Once we've safely established delivery service, we'll proceed with curbside service. I'm envious of libraries that have drive-up windows that make it easier and safer to provide materials with no physical contact.

When Illinois reaches Phase 3, OSHA requires five components before we offer in-person services to the public:

- An Infection Control Plan: what to do if someone with COVID-19 has been in the library
- Social Distancing: we'll designate 6-foot spaces between folks (both patrons and staff members)
- COVID-19 Prevention Training for Staff: training on how to wear face coverings and gloves, how to clean hands
- PPE: face coverings and gloves are required to handle shared materials
- Sanitation Procedures: the Dundee and Randall Oaks Libraries will be sanitized daily once we're open to the public.

So once Illinois reaches Phase 3, we can once again become a “third place.” I believe good things come in threes, and am looking forward to offering delivery, curbside, and in-person service as soon as we can.

## FRVPLD RESPONSE TO COVID-19

- **Canceled** all programs and storytimes from March through May.
- **Closed the library to the public.** Lowered temperature and powered down most lights and equipment. Library carpet was sanitized and cleaned.
- **Suspended all materials due dates** until further notice.
- **Left the Wi-Fi signal on** at the Dundee Library so residents could access it in the parking lot.
- Increased promotion of **digital library cards** so those who didn't have a card when the buildings closed could still access online materials and services. Assisted numerous patrons with library card renewal via email.
- **Increased Hoopla digital downloads** to five, and then again to 10 per month, per library card.
- Redirected budget dollars originally intended for physical materials to **purchase more titles in Overdrive** to alleviate the number of holds and wait times for popular eBooks.
- **Created online programming** like storytimes, book clubs, trivia nights, and craft programs so patrons could continue to engage and interact with library materials, staff, and fellow patrons.
- Promoted library as well as **local businesses** with Stay At Home Challenge Calendar and Bingo.
- Quickly **transferred Summer Reading Challenge Online** using Beanstack.
- **Purchased Zoom Pro** account for live interactive virtual programming.
- Formed **Safe Re-Opening Task Force** made up of 10 staff members from public service departments.
- Checkouts in **Overdrive increased** from 3,334 in February to 4,234 in April. **Hoopla circulation more than doubled** from 1,039 in February to 2,141 in April.
- Offered **Home Delivery** to patrons.

The Fox River Valley Public Library District is pleased to announce home delivery service. Library card holders can place items on hold that are currently available at the Dundee Library and have them delivered to their front door.

## HOW TO PLACE YOUR DELIVERY REQUEST

1. Visit our online catalog at [www.frvpld.info](http://www.frvpld.info) and place the items you want on hold.
  - For the most efficient searching, select "Dundee Materials" from the "Limit by" drop down menu. We can only deliver materials that are currently available at the Dundee Library. We don't have access to items on hold or materials at the Randall Oaks Library, or any other CCS library.
  - We will deliver books, DVDs, CDs, audiobooks, graphic novels, magazines, video games, and playaways. We cannot deliver hot spots, laptops, or Youth Services kits.
2. Fill out the online Home Delivery request form, which can be found at [www.frvpld.info/homedelivery](http://www.frvpld.info/homedelivery).

## IMPORTANT INFORMATION

- Staff will deliver materials five days a week, Monday through Friday. Our driver is not permitted to accept materials from patrons to return to the library. Patrons are still encouraged to hold on to items currently checked out, as due dates are still suspended. The book drop at the Dundee Library (only) is now open for patrons who really want to return their materials.
- Please alert staff to any special circumstances with regard to delivery, like "use side door" in the "Other Delivery Instruction" field on the online form.
- Delivery will not be same day and could take up to two weeks depending on volume. Items will be routed based on village. We only have one delivery driver and vehicle.
- Patrons will receive an email on the day their materials will be delivered. You do not have to be home for materials to be delivered.
- Staff will call after materials have been delivered, so please provide the phone number you are most likely to answer.
- We cannot guarantee availability of all items placed on hold.
- If you need assistance, please email our account services department at [librarynotice@frvpld.info](mailto:librarynotice@frvpld.info).

## Virtual Read: One Book, One District

Please join us in reading *The Rise and Fall of the Dinosaurs* by Steve Brusatte, our first ever district-wide read. The aim of the One Book, One District program is

to get families reading and discussing books together, so we have chosen a book that will appeal to adults as well as teens.

The book is a popular non-fiction title about the history of dinosaurs from their early beginnings as small, cave-dwelling creatures to their heyday during the Jurassic period and finally their mass extinction.

Brusatte is a paleontologist and he highlights some of the cutting-edge work being done in dinosaur research today. The book's subject relates the Summer Reading theme of "Dig Deeper: Read, Investigate, Discover." The book will be discussed at our June Book Club (see page 7). It is available in eBook and eAudiobook format in Hoopla.

For younger readers, we have two titles that also tie into our Summer Reading themes:

*Dinosaurs Roar, Butterflies Soar!* by Bob Barner (eBook available in Tumblebooks)

*Geronimo Stilton Reporter #4: The Mummy with No Name* by Geronimo Stilton (eBook available in Hoopla)
