## LIBRARY MATERIALS NOW DELIVERED THROUGH HOMEWORD BOUND SERVICE

FRVPLD has reintroduced its home delivery service and invites patrons who have limited mobility to contact the library to arrange for library materials to be delivered to their residence. The library is also in need of volunteers to make the deliveries.

The service is available to FRVPLD library cardholders who cannot get to the library, whether on a temporary or permanent basis, due to extensive illness or injury. Volunteers from the library will deliver books, DVDs, audiobooks, CDs, and graphic novels. Extended check out periods and no late fees will apply. HomeWord Bound participants can request specific titles or get recommendations from library staff.

To arrange HomeWord Bound service, contact Sean at (224) 699-5837 or [splagge@frvpld.info](mailto:splagge@frvpld.info).

Those interested in volunteering to make deliveries must have a valid driver's license. Contact Sherry at (224) 699-5884 or [skenny@frvpld.info](mailto:skenny@frvpld.info).

## WELCOME TO THE LIBRARY, LITTLE ONES!

We are excited to announce "Welcome Little One," a new outreach effort that welcomes newborns and their parents to FRVPLD and ensures our littlest patrons start out strong with literacy.

One way we will reach parents will be through a partnership with Sherman Hospital in Elgin. Parents of newborns will be able to walk out of the hospital with a library card for their baby and will also receive information on the importance of early literacy, resources available at FRVPLD and an invitation to bring their little one for his or her first visit to the library.

Regardless of where you deliver your baby, your little one aged 0-12 months is eligible to receive a "Welcome Little One" care package that contains a onesie, a board book, program information for babies and parents, and a reusable tote bag. These are available in the Dundee Library Youth Services Department and the Randall Oaks Library.

## LIBRARIES ARE FOR EVERYONE

Libraries are for everyone. They support frequent lifelong users who wear out their card as well as those who come in just when they need special help. And everyone in between.

This quarter, we are focusing on new programs and services for patrons at both ends of the age spectrum along with their caregivers.

The “Welcome Little One” initiative reaches out to parents of newborns in our service area while they are still in the hospital. In addition to a library card for baby, parents receive information about the importance of early literacy and how the library can help. Once they bring baby for a first library visit, they’ll receive more information, baby’s first board book, and some useful goodies. The goal is to get them into the habit of visiting the library on a regular basis. This habit will form the basis for lifelong learning.

New and expectant parents are also invited to attend our first “Bringing Up Baby” workshop on April 6 at the Dundee Library. This will be a fun, educational program in which parents learn about early literacy and how to read to baby. The event will conclude with a baby-wearing dance party (bring your own carrier!) and the chance for parents to network and socialize. More information is on page 4.

At the other end of the age spectrum are senior citizens. This demographic has been relatively small in our service area but is growing as baby boomers age. Many are very active, visiting the library frequently for computer classes, lectures and concerts, book clubs, and one-on-one technology help. However, even when getting out becomes difficult or impossible due to health and/or mobility issues, the library can continue to support them and their caregivers.

FRVPLD is expanding its HomeWord Bound service—home delivery for patrons who cannot get to the library due to an illness or injury, whether on a temporary or permanent basis. Through this service, library materials including books, DVDs, audiobooks, CDs, and graphic novels will be delivered by a library volunteer and picked up at the end of the loan period. Loan periods are extended, and no late fees are assessed on the items. Program participants can request specific titles, or library staff will make recommendations based on the person’s interests. Contact information on signing up or volunteering to make deliveries is on page 1.

In March, a six-part Family Caregiving Series will be presented by veteran benefit specialist and senior advocate Jeanette Palmer. Each program is 90-minutes long and is designed to help guide caregivers through their journey from the very beginning all the way to the end. Attendees will learn how to locate services, support, and to care not only for their loved one, but themselves. Read more about the series and Ms. Palmer’s story on page 9.

## FREE SUMMER LUNCHES AT THE DUNDEE LIBRARY

The Dundee Library will host free summer lunches for all kids 18 years old and under. Visit the library from Monday through Friday from noon to 1 p.m. to enjoy your nutritious lunch!

Meals are paid for by the Summer Food Service Program (SFSP), a federally funded program managed by the USDA and operated by the Illinois State Board of Education in conjunction with the Northern Illinois Food Bank. Lunches will begin on Monday, June 3 and be served through Monday, August 12.

Volunteers will be needed from 11:30 a.m. to 1:30 p.m. to serve the lunches (great opportunity for high school students!). For more information on volunteering, email Sherry Kenney at [skkenney@frvpld.info](mailto:skkenney@frvpld.info).

## KIDS' EYE HEALTH VISION EVENT RETURNS TO DUNDEE LIBRARY

**Wednesday, May 8**

**10 a.m. to noon, 2 to 4 p.m., & 6 to 8 p.m.**

The Dundee Lions return to provide free vision pre-screening tests for children ages six months to 10 years. During last year's event they screened 52 children, and referred 12 for further testing.

Their new PlusoptiX Screener works just like a camera and looks for nearsightedness, farsightedness, and astigmatism. The test takes just seconds, but can be an important tool to identify eye conditions that interfere with learning if left unaddressed. Registration for one of the sessions listed above is appreciated but not required. Register online at [www.frvpld.info](http://www.frvpld.info) or call the library at (847) 428-3661.

### Coming soon...summer volunteer opportunities

We'll need volunteers this summer to help us with our summer reading challenge and free summer lunch program. Applications will be available at [www.frvpld.info](http://www.frvpld.info) starting March 31.

Veteran Benefit Specialist and Senior Advocate Jeanette Palmer brings

her personal passion and commitment to providing dependable, professional in-home care and assistance to her neighbors in Cook, Kane and McHenry Counties through Right at Home.

Through her personal experience caring for her own mother, Jeanette Palmer understands the need for in-home care and the preference of the majority of people to remain living independently at home.

After her mother's passing, she felt a strong desire to share her expertise to help others in her community. After months of investigating the possibility of providing in home care and assistance on a full time basis, she became a veteran benefit specialist and senior advocate with Right At Home. The mission of Right at Home Northwest is to provide the care and support that will help seniors and disabled adults live in their own home for as long as possible.
