

# Reading Reflections

Fox River Valley Libraries  
Dundee Library • Randall Oaks Library

December 15—January 15

## Youth

## Challenge

You can also track your progress at  
[frvpld.beanstack.org](http://frvpld.beanstack.org)

### Welcome to the Reading Reflections Challenge!

Now that you have registered and picked up your penguin plushie, earn all five of the badges below to complete the challenge and collect your prize. You must complete ONE of the suggested activities to earn each badge.

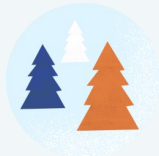

#### Warm and Cozy Badge

- Check out books from the library about arctic animals and make a fort to read them in.
- Learn about hibernation with fun activities from Scholastic Teachables ([www.frvpld.info/database-information](http://www.frvpld.info/database-information)).
- Make hot chocolate! Use your own recipe or find one in a cookbook from the library.

#### Let it Snow Badge

- Do the winter scavenger hunt at the Dundee and/or Randall Oaks Library.
- Explore snow and ice with science experiments.
- Do you want to build a snowman? If there isn't any snow outside, try a snowman craft.

#### Mindfulness Badge

- Try some yoga moves! Check out a book or video from the library.
- Take a nature walk in Wahoo Woods and use your senses to notice everything around you. Follow our Storywalk to read *The Mitten* by Jan Brett in English and Spanish.
- Relax your mind and focus on coloring. Color an Ugly Sweater for the Dundee Photo Wall or pick up a coloring sheet.

#### These Are a Few of My Favorite Things Badge

- Stop in and tell a librarian about your favorite book or write it here.
- Reflect on the past year. Think about things that you are proud of or things that made you happy and write them in a journal or diary.
- Is there someone in your life who was really important to you last year? Make them a card!

#### New Year's Resolution Badge

- Make a plan to learn something new. Check out a STEAM kit, a craft book, or find a project on Creativebug ([www.frvpld.info/database-information](http://www.frvpld.info/database-information)).
- Attend a program, book club or storytime at the Dundee or Randall Oaks Library.
- Challenge yourself to read something different. If you want a suggestion, fill out the Fox Picks form and a librarian will pick out books just for you!

### Well done!

Bring your log to the Dundee Library Information Desk or Randall Oaks Library Service Desk. You will then receive your finisher prize — a new journal, pack of markers, and bookmark.
