SUMMER READING KICKOFF WITH DAVE RUDOLF (NR)

CELEBRATE 140 YEARS OF LIBRARY SERVICE

Tues., June 7, 6 p.m. Dundee Library Front Lawn

Dave is back to jump start our summer reading challenge! We've got even more to celebrate this year as we achieve 140 years of library service in this community. So pack up your blanket, chairs, and a picnic supper and join us for music, crafts, popcorn, lemonade, and a special birthday treat.

DIRECTOR'S MESSAGE

595,368 - That's how many items were checked out of our libraries last year. Fox River Valley Libraries have never been busier. In fact, our circulation has doubled in the last ten years and our program attendance has, too.

To meet this increased demand, the Library District is considering improving the Dundee Library and constructing a new, full-service library near Randall Road to replace the Randall Oaks Library with funds raised by a voter approved referendum in November. This tax increase would also help fund the operations and maintenance of the new facility.

The new library would be located on Recreation Drive in West Dundee, just west of Randall Road, close to the Recreation Center, baseball fields and Dundee Middle School.

A new library would respond to residents' requests including:

- *easy to browse bookstore-style shelving with wide aisles*
- *larger collections for all ages and comfortable seating*
- *a dedicated computer classroom,*
- *a large early childhood area,*
- *public meeting rooms plus a multi-purpose room for programs and crafts*
- *a teen area with computers, group study rooms and a maker lab*

Improvements to the existing Dundee Library would include:

- *easy to browse bookstore-style shelving with wide aisles*
- *doubling the children's area and creating more public space by repurposing administrative offices and the former township offices*
- *a computer training lab, a tutoring center, and study rooms*
- *a quiet reading room and more functional meeting room space*
- *safety improvements - adding a sprinkler system and adding/repairing emergency exits*
- *a drive up service window*

The Board of Trustees is committed to meeting our community's library needs while keeping the total project cost and tax impact as low as possible. Estimated costs for the entire project are \$39.5 million; the estimated monthly tax impact is as follows for a home's fair market value: \$8.29 for \$100,000; \$18.41 for \$200,000; \$28.52 for \$300,000.

The Library Board is still in the planning stages. The Board will decide in August whether to place a tax referendum on the November 2016 ballot, after reviewing the input from open house meetings, a mailed survey, and the recommendations of a 20-member citizen task force.

Your input will make a difference in how the library district moves forward. Please join us at an upcoming open house meeting to see the drawings, ask questions, and share your input.

OPEN HOUSE MEETINGS:

- *Sunday, June 5, 1 to 4 p.m.
at Dundee Library*
- *Monday, June 6, 5 to 8 p.m.
at Randall Oaks Library*
- *Tuesday, June 7, 5:30 to 8:30 p.m.
at Dundee Library*
