DIRECTOR'S MESSAGE

Voters turned down the library district's November referendum by a margin of 2:1. Regardless of the outcome, having a funding question on the ballot expanded public awareness of the library, its services, locations, and challenges.

Thank you for voting! Your participation in the democratic process is so vitally important. Thank you, also, to the many community organizations and local boards who allowed us to give a Referendum Facts presentation at their meetings so that they could be well informed.

Obtaining this concrete feedback about the community's willingness to fund library services takes us back to the drawing board to reconsider options for addressing the service challenges posed by the population growth of the past 20 years. The needs are well documented and still exist.

We look forward to more community engagement and feedback as we continue to explore solutions. In the meantime, we'll continue to provide the very best service possible with currently available resources.

In keeping with the library's strategic plan, we expanded services this year for one of our largest underserved user groups, Latinos, who make up 32% of our service population.

Club de Conversación provides an opportunity to practice speaking English in everyday situations. ¡Leamos! is a pre-ESL online literacy course that teaches non-literate Spanish-speaking adults to read and write. Obtenga Su Ciudadanía Estadounidense covers the basics of the citizenship process.

This February, we're offering a comprehensive ten week course that takes permanent residents looking to become citizens step by step through the entire process. Citizenship 101 will cover the N-400 Application for Naturalization and attendees will practice every question and answer for the Civics section of the Naturalization exam.

We are pleased to reintroduce Spanish storytimes on Tuesdays and Fridays this winter. Students in D300 dual language programs will find attending these a good opportunity to practice their Spanish outside of school.

Another underserved user group is children with special needs or disabilities and their families. At a staff meeting this year, we invited an organization called JJ's List to provide training on how to communicate comfortably and appropriately with customers, co-workers or potential hires who have disabilities. Our children's librarians then developed "Bring Your Own Abilities" storytime, which is being offered for the first time in February.

Browse our newsletter, and keep it handy in the coming months. There is something for everyone at the Fox River Valley Public Libraries. (And we have even started brainstorming already to bring you the best summer reading challenge ever...).

Kate from Information Services, and Maggie from Children's Services, are working to expand services to our Latino users with programs for adults and children.

CHILTON'S

AUTO SELF-REPAIRS, MAINTENANCE CHARTS & ESTIMATED SERVICE TIMES

Chilton's is the most authoritative automobile repair resource available, and while we do still have the physical manuals at the Dundee Library, you can also access the online version free with your FRVPLD library card. Whether you're looking for diagrams to do self-repairs or need information about a recall, Chilton Library is the go-to resource for automobile information.

Step-by-step guides for a variety of types of repairs are available, complete with tutorial videos and printable diagrams. You'll also find scheduled maintenance charts, tables with estimated service times, and a bulletin with recall information. Chilton Library even has practice tests for the ASE exam.

Visit the Research section of our website at WWW.FRVPLD.INFO and click on the Chilton Library graphic to enter. You will need your library card number to get in. If you need any help accessing or navigating this database, just call our Info Services staff at (847) 428-3661, press 3.

TURN ON YOUR CHECKOUT HISTORY

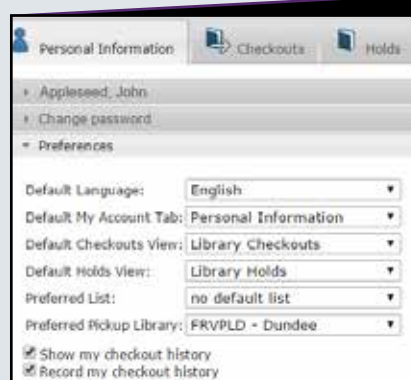

Have you ever wondered how many materials you've checked out from the library? Or forgotten the title or author of a book you read and wished you could look it up?

You can keep track of that by turning on the "Checkout History" in your online library account at WWW.FRVPLD.INFO. (The function is not retroactive; it starts compiling the history once it is turned on, so the sooner you enable it, the sooner your list will start.)

From the library's home page, click on **MY ACCOUNT**, found on the menu bar. Sign in, and follow this sequence of clicks:

PERSONAL INFORMATION tab
PREFERENCES bar
SHOW MY CHECKOUT HISTORY box
RECORD MY CHECKOUT HISTORY box
UPDATE to save your changes.

The list can then be found in the **CHECKOUTS** tab, **CHECKOUT HISTORY** bar.

ANNUAL MITTEN TREE

Keep some fingers warm this winter by donating new infant, children's and adult mittens, scarves, and hats for our traditional Mitten Tree, located in the Children's Department on the lower level of the Dundee Library from November 13 through December 16.

All items will be donated to the Carpentersville F.I.S.H. Food Pantry and the Elgin Crisis Center.

FRIENDS OF THE LIBRARY

Join us! Any amount of time you can give is appreciated. Book sorting is an ongoing activity that can be done any time the library is open. We sort donated books into categories in preparation of our two annual sales. And speaking of sales, we always need helping hands to setup, work at, and take down. Please send us an email at friends@frvpld.info to volunteer. The Friends meet on the third Tuesday of the month at 7 p.m. at the Dundee Library.
