3D PRINTING REQUEST FORM

Please provide the following information for your 3D printing request. Patrons must have a valid Fox River Valley Public Library District library card to use this service. **Please be advised that 3D printing is a long process; it may take 1-2 weeks for you to receive your 3D print.** When your object is ready, you will be notified through the listed preferred contact method. Objects must be submitted in the .STL, .OBJ, or .THING format. If you are using the free version of SketchUp, you may submit your file in the .skp format. Maximum printing dimensions are 6.2 (L) x 6(W) x 6 (H) inches. 3D prints cost \$.10 per gram. An average print weighs 18 grams.
