Public Comment

President Skold solicited comments from the floor.

Mike Tennis, 303 Churchill, Sleepy Hollow told the group that in his opinion the proposed tax increase for the library was excessive. He stated that he understood the increasing cost of operating the library and supported an increase, but he felt our proposed increase was excessive. In his opinion a 9% increase would be more appropriate and he urged board members to lower the increase to that amount.

President Skold thanked Mr. Tennis for his comments and asked if there were any further comments or questions. There being none, Treasurer Biewald moved and Vice President Lechuga seconded that we adjourn to the regular board meeting. Voice Vote: 6 ayes, 0 nays. Motion carried.
